Re: Administrative Contract Renewals for 2026 - 2027

Each year the district superintendent completes the observation and evaluation process in accordance with SB 290 for administrators and supervisors. During the February board meeting, the board is presented with recommendation of renewals and extensions, based on the evaluation of job performance according to ORS 342.513 and ORS 342.845. Once recommendations are presented and approved, the District must provide notification, in writing to staff. This does not promise employment for the coming year, but does indicate that the employee has met the requirements for employment.

My list of recommendations for renewal is as follows:

Bonita Stout – District Special Education Director
Lisa Wendel – Driftwood Elementary Principal
DeAnna Williams – Pacific High School Principal

I have no administrators on the non-renewal list.

Respectfully Submitted,

Aaron Miller
Superintendent
