Hi Todd, this all looks great to me. Are the materials that are prefinished painted or stained?

I assume no lighting or electrical included?

Is this still possible to start this year?

Thanks for all the extra work!

Subject: Sheriff Department - Entrance Canopy Revised

Marty,

I have reworked my estimate for the entrance canopy.

- Excavate and back fill for 4ea piers and pads
- Form and pour 4ea piers and pads
- Install white pine columns, beams, and curved rafters - prefinished
- Install t&g decking – prefinished
- Install underlayment, curved standing seam roofing, and trim
- Install framing to build out post bases to approximately 16" x 16" x 48"
- Supply and install Versetta Stone panels on column bases
- Supply and install limestone caps on column bases
- Apply finish coat of stain
- Roof area to be approximately 10' x 20' with a 20' radius

Total Cost: \$27,687

Please let me know if you have any questions.

Thanks,

Todd
