

BISD 2010-2011 Employee Handbook

Introduction

The purpose of this handbook is to provide information that will help with questions and pave the way for a successful year. Not all district policies and procedures are included. Those that are have been summarized. Suggestions for additions and improvements to this handbook are welcome and may be sent to the Superintendent, Robert Westbrook.

This handbook is neither a contract nor a substitute for the official district policy manual. Nor is it intended to alter the at-will status of noncontract employees in any way. Rather, it is a guide to and a brief explanation of district policies and procedures related to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate district office. 1. DISTRICT INFORMATION

Texas Education Mission Goals and Objectives

Policies AF, EA

The mission of the Texas public education system is to ensure that all Texas children have access to a quality education that enables them to achieve their full potential and fully participate now and in the future in the social, economic, and educational opportunities in our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of Texas and for the preservation of the liberties and rights of Texas citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family and that parental involvement in the school is essential for the maximum educational achievement of a child. The objectives of public education are:

- Parents will be full partners with educators in the education of their children.
- Students will be encouraged and challenged to meet their educational potential.
- Through enhanced dropout prevention efforts, all students will remain in school until they obtain a diploma.
- A well-balanced and appropriate curriculum will be provided to all students.
- Qualified and highly effective personnel will be recruited, developed, and retained.
- Texas students will demonstrate exemplary performance in comparison to national and international standards.
- School campuses will maintain a safe and disciplined environment conducive to student learning.
- Educators will keep abreast of the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning.
- Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

The academic goals of public education are to serve as a foundation for a well-balanced and appropriate education. The students in the public education system will demonstrate exemplary performance in:

- **Goal 1** The reading and writing of the English language.
- **Goal 2** The understanding of mathematics.
- **Goal 3** The understanding of science.
- **Goal 4** The understanding of social studies.

The board has complete and final control over school matters within limits established by state and federal law and regulations.

The board of trustees is elected by the citizens of the district to represent the community's commitment to a strong educational program for the district's children. Trustees are elected every year and serve three-year terms. Trustees serve without compensation, must be registered voters, and must reside in the district.

The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a two-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Equal Employment Opportunity

Policies DAA, DIA

The Brackett Independent School District does not discriminate against any employee or applicant for employment because of race, color, religion, gender, age, national origin, disability, military status, genetic information, or on any other basis prohibited by law. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

Employees with questions or concerns about discrimination for any of the reasons listed above should contact the superintendent, the district's Title IX coordinator.

Job Vacancy Announcements

Policy DC

Announcements of job vacancies by position and location are posted on the district's web site at, www.brackettisd.net. See: *Personnel / Human Resources*.

Employment after Retirement

Policy DC

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed in limited circumstances or on a part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment After Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Web Site www.trs.state.tx.us.

Contract and Noncontract Employment

Policies DC series

State law requires the district to employ all full-time professional employees in positions requiring a certificate from State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

Probationary Contracts

Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after at least a two-year lapse in district employment also may be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed in public schools for at least five of the eight years preceding employment with the district may not exceed one full school year. For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

Term Contracts

Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed on line or copies will be provided upon request.

Noncertified Professional Employees

Employees in professional positions that do not require SBEC certification are employed by a one-year contract that is not subject to the procedures for nonrenewal or termination under the Texas Education Code.

Paraprofessional and Auxiliary Employees

All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Searches and Alcohol and Drug Testing***Policy DHE***

Non-investigatory searches in the workplace, including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, work areas, including district-owned computers, lockers, and private vehicles parked on district premises or work sites or used in district business.

Employees Required to Have a Commercial Driver's License

Any employee whose duties require a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people, counting the driver; drivers of large vehicles; or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing *can access both legal and local district policy DHE on line at the link below.*

www.tasb.org/policy/pol/private/136901 [Ctrl. + click to go to site]

Employees with questions or concerns relating to alcohol and drug policies and related educational material should contact the Superintendent.

Health Safety Training

Policies DBA, DMA

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, University Interscholastic League, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to Personnel/Human Resources by August 23, 2010.

Reassignments and Transfers

Policy DK

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contracts. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA (Local).

Employees with the required qualifications for a position may request a transfer to another campus or department. A written request for transfer [*See form: Reassignment Request*] must be completed and signed by the employee and the employee's supervisor. Teachers requesting a transfer to another campus before the school year begins must submit his or her request by May 1. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by the superintendent and must be approved by the receiving supervisor.

Workload and Work Schedules

Policies DEA, DL

Professional Employees

Professional employees and academic administrators are exempt from *comp time* or overtime pay and are employed on a 10 or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including required days of service and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation, including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and Auxiliary Employees

Support employees are employed at will and will receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees are not exempt from overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. [Form: *Request for Overtime, Comp. Time*]

Notification to Parents Regarding Qualifications***Policies DK, DBA***

In schools receiving Title I funds, the district is required by the No Child Left Behind Act (NCLB) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. NCLB also requires that parents be notified if their child has been assigned, or taught for four or more consecutive weeks by, a teacher who is not highly qualified.

Texas law also requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notification under NCLB is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) or individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request.

Employees who have questions about their certification status can call the State Board for Educator Certification Information and Support Center, 1-888-863-5880, Monday – Friday 7:00-5:30 CST, or through the Web at www.sbec.state.tx.us/SBECOnline/educator.

Outside Employment and Tutoring***Policy DBD***

Employees are required to disclose in writing to their immediate supervisor/administrator any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. The superintendent will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Performance Evaluation***Policies DN series***

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda can also be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation. Information about the PDAS process can be found at the link below. See policy DNA (Local).

Employee Involvement *Policies BQA, BQB*

At both the campus and district levels, Brackett ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees *may either be asked or elected* to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office.

Staff Development *Policies DMA, DMB*

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, and addressed in the campus improvement plan, which is approved by a campus-level advisory committee. Staff development for non-instructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Important

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Continuing Education Hours

Employees are responsible for logging continuing professional education and/or local continuing education hours earned using the ESC Region 11 CPE Tracking Coop. The system is internet-based and allows employees to maintain and track his or her own professional and non-professional training records. The system also allows the district to upload reports on individuals or by defined groups. Employees will be asked to print a

summary for placement in their employee file at the end of the school year. Continuing education certificates will no longer be kept in your personnel file.

A couple of things to remember:

- Any new record(s) added will not show up until you have logged out and logged back in.
- You can track hours under different categories if you hold more than one position.
- The program is for all employees, including lifetime certificate holders.
- If you have problems using the system, contact Noe Maldonado at ext. 406, or ESC Reg. 11 (817) 740-3656 or by email svanvleck@esc11.net .

Increments will be:	Bachelors	Bachelors +12	Bachelors +24	Masters	Above the adopted BISD salary schedule.
		+500	+750	+1,000	

A. Master Degrees:

All masters degrees will count, regardless of when earned, if the degree is in the field of education.

C No undergraduate classes taken before JUNE 1, 1999 can be counted toward the bachelors +12 or bachelors +24 columns.

D. Undergraduate classes taken after JUNE 1, 1999 can be counted if:

- 1. Specific Need Classes:** Brackett ISD has a specific need for a specialized teaching field as certified in writing by the principal of the school where the need exists.
- 2. Final Written Approval:** After a principal certifies the need for a specialized teaching field, the superintendent will review the written recommendation. If the superintendent concurs with the principal's recommendation, a written determination will be given to the employee and a copy of the determination will be kept in the employee's personnel file. All final action by the principal and superintendent shall be taken **BEFORE** the employee registers for any class that fits this category. If there is no written approval **PRIOR** to registration, the undergraduate hours **CAN NOT** be counted on the salary schedule.

Lunch Breaks

All nonexempt employees shall take a minimum of a 30-minute lunch break daily, except in the case of special circumstances and with the approval of their supervisor. The lunch break should not be taken in the employee's office or at the employee's desk.

Employees must clock-out or report the lunch break on their time sheet.

Bus Drivers

Bus drivers who are full time (8 hours or more) employees may adjust their work week for their regular job in order to accommodate bus arrival and departure times with the approval of the superintendent. Time and pay for bus routes may vary from year to year depending on the needs of the district. Bus drivers get 5 days paid leave each year.

Substitutes

Non-degreed classroom substitutes are paid \$55.00 per full day or \$27.50 per half day. Degreed substitutes (holding a college degree) are paid \$70.00 per full day or \$35.00 per half day. Long term non-degreed will be paid at a rate of 80% of the state minimum base amount after 20 consecutive working days for the same teacher. This new rate will begin on the 21st day. Degreed substitutes will be paid a rate based on the state base minimum amount after 20 days consecutive working days for the same teacher. The new rate will begin on the 21st day. Each classroom substitute is required to attend a substitute orientation/workshop held at the district before being added to the substitute list.

Cafeteria, custodian, and maintenance substitutes are subject to a different pay scale.

Senate Bill 9 fingerprinting requirements apply to all classroom substitute teachers, whether certified or not, including substitute cafeteria workers and substitute custodians.

Travel Expense Reimbursement Policy DEE

Use of a district vehicle must be utilized first. Use of personal vehicles will be at the employee's expense.

District Vehicle Use

*A copy of the employee's valid driver's license must be on file in the central office. Travel requests must be submitted for approval by the administrator/supervisor and superintendent **seven business days** in advance of the scheduled trip. A gas card can be checked out at the central office. Employees are asked to return gas cards and all receipts within 24 hours of their trip.*

OR

Personal Vehicle Use

*Employees who opt to use their own vehicle do so at their ***own expense**. Travel requests must be submitted for approval by the administrator/supervisor and superintendent **seven business days** in advance of the scheduled trip.*

* Exception: If notified by the Fleet Supervisor that a district vehicle is not available, an exception could be approved by the employee's administrator/supervisor.

Meals & Lodging

*Meal allowance for travel is \$36.00 per day. Lodging allowance is \$85.00 per day. Itemized receipts are required for all meals and lodging. **Credit or debit card "total only" receipts are not acceptable.** Prior approval from the superintendent or business manager is required for any variation of reimbursement fees.*

The Texas Education Agency considers meal reimbursements for "day" trips a benefit and will be reimbursed through payroll. Overnight trips are unavoidable expenses so they will be reimbursed through the finance check run, which is done monthly on the 10th and 25th. Check requests are required for both.

Health, Dental, and Life Insurance Policy CRD

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school health insurance program. The district's contribution to employee insurance premiums is determined annually by the board of trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are regularly scheduled to work at least 10 hours per week

TRS retirees who are enrolled in TRS-Care (retiree health insurance program) and employees who are not contributing TRS members who are regularly scheduled to work less than 10 hours per week, are not eligible to participate in TRS-ActiveCare.

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each spring. Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees in a separate booklet. Employees should contact the Benefits/Payroll Dept. at 563-2491, ext. 114, for more information.

Supplemental Insurance Benefits

Policy CRD

At their own expense, employees can enroll in supplemental insurance programs for life annuities. Premiums for these programs can be paid by payroll deduction. Employees should contact the payroll clerk for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must accept this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dreaded disease, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

Workers' Compensation Insurance

Policy CRE

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers' compensation coverage from Texas Association of School Boards (TASB), renewed annually. Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries must be reported immediately to their supervisor and superintendent's secretary. Employees who are unable to work due to a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See *Workers' Compensation Benefits* for information on use of paid leave for such absences.

Unemployment Compensation Insurance

Policy CRF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact Sherry Hall, Payroll Clerk, ext. 114.

Teacher Retirement

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are also eligible for TRS membership and to purchase a year of creditable service. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify the Superintendent as soon as possible. Information on the application procedures for TRS benefits are available. Additional inquiries should be addressed to: Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the Web www.trs.state.tx.us.

Other Benefit Programs

Tuition-Free Attendance

Children of nonresident district employees may attend district schools tuition free. See policy FDA (local).

4. LEAVES AND ABSENCES

Policies DEC, DECA, DECB

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call the payroll department for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Use of Leave. Leave is available for the employee's use at the beginning of the school year. However, state personal and local leave is earned $\frac{1}{2}$ day per month, over 10 months. If an employee leaves the district before the end of the work year, the cost of any unearned leave days taken shall be deducted from the employee's final paycheck.

Leave must be used in half day increments. However, if an employee is taking family and medical leave, leave shall be recorded in one-hour increments. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- Local Leave
- State sick leave accumulated before 1995-1996 school year
- State Personal Leave

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification. Any employee who is absent more than five days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee's fitness to return to work.

Employees on an approved leave of absence other than family and medical leave may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the Family and Medical Leave Act will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

***Absent From Duty Request Form** Must be filled out and submitted for approval, prior to any anticipated leave of absence (i.e., appointments, vacation, training, sick day, employee birthday).

Personal Leave

Policy DEC

State law entitles all employees to five days of paid personal leave per year. Personal leave is earned at a rate of $\frac{1}{2}$ day per month over 10 months. A day of earned personal leave is equivalent to an assigned workday. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. There are two types of personal leave: nondiscretionary and discretionary.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary leave will be granted to employees in the same manner as state sick leave.

Discretionary. Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor in advance of the anticipated absence. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

State Sick Leave

Previously accumulated state sick leave is available for use and may be transferred to other school districts in Texas. State sick leave can be used only in half-day increments except when coordinated with family and medical leave taken on an intermittent or reduced-schedule basis or when coordinated with workers' compensation benefits.

State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

Local Leave

Policy DEC

All employees shall earn an additional five equivalent workdays of local personal leave per school year, concurrently with state leave. Local personal leave shall be subject to the same limitations as state personal leave, at the same rate of one workday for each 18 workdays of employment. [See form: Absent From Duty Request]

Local personal leave shall be noncumulative and shall be taken with no loss of pay.

Additional Local Leave

Policy DEC

All classroom teachers may earn two equivalent workdays of personal leave per year by completing 14 hours of approved workshop hours during the summer break. These days may accumulate without limit.

Birthdays

*In addition to any local leave, all employees are given their birthday off. Birthdays may be taken anytime within the school year **with prior approval** from your supervisor or campus principal. [See form: Absent From Duty Request]*

Planning/Conference/Break Periods

Employees may leave campus to conduct personal business during their conference/ planning or break periods with approval from their principal or supervisor. If leave from the school for personal business is one hour or more, employees will be charged one-half day of leave.

Coverage of Classes-Non Emergency Basis

Employees (teachers) may not arrange for other employees (teachers) to cover their classes unless it is an emergency. Non-emergency coverage must have prior approval by the principal.

Sick Leave Pool

A sick leave pool may be established from voluntary donations by district staff to assist a fellow employee or their family suffering from catastrophic illness or disability and whose leave is exhausted. The definition of "family" includes the spouse, parent, and child only. This is the same definition of family that is used for the Family and Medical Leave Act – FMLA). It may not be used to extend leave due to maternity or childbirth without complications.

The maximum number of days that may be pooled to help any one employee is forty. An employee may participate in the pool until s/he has used up the forty days from the pool.

Request for the establishment of the pool shall be made in writing to the Superintendent. Pooling may be requested after the employee has exhausted his state and personal leave. Leave from the pool must be used last after all leave has been used. Upon receiving a written request, the Superintendent shall call for a meeting of the Leave Pool Committee, which shall consist of one teacher selected by the campus committee from each of the campuses. The academy school shall be pooled with the high school for representation on this committee. There shall be three members – one from each campus committee. The superintendent shall act as an ex-officio member and shall advise the committee. Pooling may be requested when an employee has exhausted his or her state, local, personal, and emergency leave.

The pool ceases to exist when the employee returns to work, or when the voluntary contributions of local leave made by fellow employees have reached the maximum 40 days.

If there are days left in the pool that are not needed and are not used by the staff member, the days will be returned to the contributor in proportion to the number of days given. Days will be returned in a minimum of half-day increments.

No staff member may contribute more than two days to the pool.

Definition of Catastrophic Illness or Disability

This is considered to be a life threatening crisis caused by accident or disease requiring hospitalization and/or therapy which prevents the employee from coming to work and performing his/her job. The definition is broad, and the decision of whether requests meet this criteria shall be final after the committee meets and makes its determination.

Family and Medical Leave (FML)

The following text is from the federal notice, *Employee Rights and Responsibilities Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

Basic Leave Entitlement. The FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;

- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements. Eligible employees with a spouse, son, daughter, or parent on active military duty and deployed to a foreign country may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

The FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list. It also includes a family member who is a veteran with an illness or injury that occurs in the line of duty while on active duty and manifests itself before or after the service member became a veteran. The veteran must have been on active duty during the five years preceding the need for treatment, recuperation, or therapy.

Benefits and Protections. During FML, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FML, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FML cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements. Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition. A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave. An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave. Employees may choose or employers may require use of accrued paid leave while taking FML. In order to use paid leave for FML, employees must comply with the district's normal paid leave policies.

Employee Responsibilities. Employees must provide 30 days advance notice of the need to take FML-when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FML was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities. Covered employers must inform employees requesting leave whether they are eligible under the FMLA. If they are eligible, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FML and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FML, the employer must notify the employee.

Unlawful Acts by Employers. The FMLA makes it unlawful for any employer to: interfere with, restrain, or deny the exercise of any right protected under the FMLA; discharge or discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or relating to the FMLA.

Enforcement. An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

The FMLA does not affect any Federal or State law prohibiting discrimination or supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300 (a) may require additional disclosures.

Local Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period from July 1 through June 30.

Use of Paid Leave

FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses

A husband and wife who are both employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave

When medically necessary, or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-scheduled leave for the care of a newborn child or for adoption or placement of a child with the employee.

District Contact

Employees that require FML or have questions should contact the Payroll/Benefits Dept. at 563-2491, ext. 114, for details on eligibility, requirements, and limitations.

Temporary Disability Leave

Certified employees

Any full-time employee whose position requires certification by the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability is approved, the length of leave is no longer than 180 calendar days. If disability leave is not approved, the employee must return to work or be subject to termination procedures.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the employee supervisor should be notified at least thirty (30) days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Professional employees returning from leave will be reinstated to the school to which they were previously assigned as soon as an appropriate position is available. If a position is not available before the end of the school year, professional employees will be reinstated at the beginning of the following school year.

Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Jury Duty

Employees will receive leave with pay and without loss of accumulated leave for jury duty. Employees must present jury duty documentation *prior to serving on the jury*, to their supervisor.

Employees are required to return to work immediately after being released from jury service.

Other Court Appearances

Employees will be granted paid leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding. Employees may be required to submit documentation of their need for leave for court appearances.

Military Leave

Paid Leave for Military Service

Any employee who is a member of the Texas National Guard, Texas State Guard, or reserves component of the United States Armed forces will be granted a paid leave of

absence without loss of any accumulated leave for authorized training or duty orders. Paid military leave will not exceed 15 days each federal fiscal year (October 1-September 30). In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Re-Employment After Military Leave

Employees who leave the district to enter into the United States uniformed services or who are ordered to active state military duty (Texas National Guard or Texas State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed in the position they would have held if employment had not been interrupted or reassigned to an equivalent or similar position provided they can be qualified to perform the required duties. To be eligible for reemployment, employees must provide notice of their obligation or intent to perform military service, provide evidence of honorable discharge or release, and submit an application for reemployment to the central office. In most cases, the length of military service cannot exceed five years, and the employee must apply for reemployment within the period of time specified in law.

Continuation of Health Insurance

Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the Benefits/Payroll Dept. at 563-2491, ext. 114, for details on eligibility, requirements, and limitations.

5. EMPLOYEE RELATIONS AND COMMUNICATIONS

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, and through special events and activities.

District Communications

Throughout the school year, the superintendent's office publishes brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements.

6. COMPLAINTS AND GRIEVANCES

Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. The district's policy concerning the process of bringing concerns and complaints can be found at the link below. See policy DGBA (Local).

If the campus principal, supervisor, or district official is the subject of a complaint, the employee shall report the complaint directly to the superintendent. A complaint against the superintendent may be made directly to the board.

Harassment of Students

Policies DF, DH, FFG, FFH

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus

principal or other appropriate district official. All allegations of prohibited harassment or abuse of a student will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse*, for additional information.

The district's policy that includes definitions and procedures for reporting and investigating harassment of students can be found at the link below. See policies DE, DH, FFG, and FFH (Local).

www.tasb.org/policy/pol/private/136901 [Ctrl. + click to go to site]

Reporting Suspected Child Abuse

Policies DF, DG, DH, FFG, GRA

All employees are required by state law to report any suspected child abuse or neglect to a law enforcement agency, Child Protective Services, or appropriate state agency (e.g.: state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion. Abuse is defined by Texas Family Code and includes any sexual conduct involving an educator and a student or minor. Reports to Child Protective Services can be made to a local office or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Code of Ethics and Standard Practices for Texas Educators.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agencies. In addition, employees must cooperate with child abuse and neglect investigators. Reporting the concern to the principal does not relieve the employee of the requirement to report to the appropriate state agency. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Child Sexual Abuse

The district has established a plan for addressing child sexual abuse, which may be accessed at www.brackettisd.net (See: Campus & District Improvement Plans). As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Anyone who suspects that a child has been or may be abused or neglected has a legal

responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Employees are required to follow the procedures described above in *Reporting Suspected Child Abuse*.

Computer Use and Data Management

Policy CQ

The district's electronic communications systems, including its network access to the Internet, is primarily for administrative and instructional purposes. Limited personal use of the system is permitted if the use:

- Imposes no tangible cost to the district
- Does not unduly burden the district's computer or network resources
- Has no adverse effect on job performance or on a student's academic performance

Electronic mail transmissions and other use of the electronic communications systems are not confidential and can be monitored at any time to ensure appropriate use.

Employees and long-term substitutes who are authorized to use the systems are required to abide by the provisions of the district's communications systems policy and administrative procedures. Failure to do so can result in suspension or termination of privileges and may lead to disciplinary action. Employees with questions about computer use and data management can contact district Technology Manager at 563-2491, ext. 406.

BRACKETT I.S.D. POLICY FOR INTERNET ACCESS

We are very pleased to bring internet access to Brackett ISD and believe the network offers vast, diverse, and unique resources to both students and teachers. Our goal in providing this service to teachers and students is to promote educational excellence in the Brackett Schools by facilitating resource sharing, innovation, and communication.

The Brackett ISD network is an electronic network which accesses the Internet. The Internet is an electronic highway connecting thousands of computers all over the world. and millions of individual subscribers. Students and teachers have access to electronic mail, communication with people all over the world.

With access to computers and people all over the world comes the availability of material that may not be considered to be of educational value in the context of the school setting. Brackett ISD has taken precautions, which are limited, to restrict access to controversial materials. However, on a global network it is impossible to control all materials and an industrious user may discover controversial information. We (Brackett ISD) firmly believe that the valuable information and interaction available on this worldwide network far outweighs the possibility that users may procure material that is not consistent with the educational goals of this Project.

The smooth operation of the network relies upon the proper conduct of users who adhere to strict guidelines. These guidelines are provided so that you are aware of the responsibilities you are about to acquire. In general this requires efficient, ethical and legal utilization of the network resources. If a Brackett ISD user violates any of these provisions, his or her account with Brackett ISD network will be terminated and future access could be denied. Your signature(s) on the attached contract is (are) legally

binding and indicates the party (parties) who signed has (have) read the terms and conditions carefully and understand(s) their significance.

BRACKETT ISD NETWORK - TERMS AND CONDITIONS

Illegal activities are strictly prohibited.

Privileges

The use of Brackett ISD network is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. (Each student who receives an account will be part of a discussion with a Brackett ISD faculty member pertaining to the proper use of the network.) Based upon the acceptable use guidelines outlined in this document, the system administrators will deem what is inappropriate use and their decision is final. Also, the system administrators may close an account at any time as required. The administration, faculty, and staff of Brackett ISD may request the system administrator to deny, revoke, or suspend specific user accounts.

No individual student may have a web page linked to BISD. Faculty links must be approved by the principal and technology director before being put on the internet.

If you feel you can identify a security problem on Brackett ISD network, you must notify a system administrator. Do not demonstrate the problem to other users. Do not use another individual's account without written permission from that individual. Do not give your password to any other individual. Policy DH

Electronic media includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), electronic forums (chat rooms), video-sharing Web sites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, MySpace, Twitter, LinkedIn). Electronic media also includes all forms of telecommunication such as landlines, cell phones, and Web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic media as they are for any other public conduct. If an employee's use of electronic media interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for Web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic media for personal purposes shall observe the following:

- The employee shall not use the district's logo or other copyrighted material of the district without express, written consent.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Code of Ethics and Standard

Practices for Texas Educators, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:

- Confidentiality of student records. [See Policy FL]
- Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See Policy DH (EXHIBIT)]
- Confidentiality of district records, including educator evaluations and private e-mail addresses. [See Policy GBA]
- Copyright law [See Policy EFE]
- Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See Policy DH (EXHIBIT)]

See *Use of Electronic Media with Students*, below, for regulations on employee communication with students through electronic media.

Use of Electronic Media with Students

Policy DH

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may communicate through electronic media with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. All other employees are prohibited from communicating with students who are enrolled in the district through electronic media.

An employee is not subject to these provisions to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization.

The following definitions apply for the use of electronic media with students:

- *Electronic media* includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), electronic forums (chat rooms), video-sharing Web sites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, MySpace, Twitter, LinkedIn). *Electronic media* also includes all forms of telecommunication such as landlines, cell phones, and Web-based applications.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*; however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who uses electronic media to communicate with students shall observe the following:

- The employee may use any form of electronic media **except** text messaging. Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility.
- The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
- The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page ("professional page") for the purpose of communicating with students. The employee must enable administration and parents to access the employee's professional page.
- The employee shall not communicate directly with any student between the hours of _____ p.m. and _____ a.m. An employee may, however, make public posts to a social network site, blog, or similar application at any time.
- The employee does not have a right to privacy with respect to communications with students and parents.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Code of Ethics and Standard Practices for Texas Educators, including:
 - Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL]
 - Copyright law [Policy EFE]
- Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DF]
- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with any one or more currently-enrolled students.
- Upon written request from a parent or student, the employee shall discontinue communicating with the student through e-mail, text messaging, instant messaging, or any other form of one-to-one communication.

An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.

Telecommunication Devices / Cell Phone Use

Telecommunication devices, including paging devices or cellular phones, shall not be used during class time.

- *Class time is defined as the designated period of time for which students are assigned to a class. During class time the ringer shall be turned off. Any cell phone abuse that results in an educational distraction shall be considered a violation of this policy.*
- *Use is defined as having a device ring or sound, activating the device, allowing others to use the device, or exhibiting the device to others.*

Criminal History Background Checks

Policy DBAA

Employees may be subject to a review of their criminal history record information at any time during employment. National criminal history checks based on an individual's fingerprints, photo, and other identification will be conducted on certain employees and entered into the Texas Department of Public Safety (DPS) Clearinghouse.
