Re: Superintendents Board Report

Education Updates

- Debbie and I met with staff in the three schools on the legislative and budgeting process. Debbie and I also met with the building reps to discuss legislation related to teacher pay and the negotiation process.
- We will be holding our staff “End of Year” celebration on May 29th after the students leave for the summer. We will recognize our Teacher of the Year, retirees and other accomplishments at that time.
- The superintendents, high school principals, and high school counselors of the COSSA districts met to discuss the CTE offerings currently and those that might be offered in the future. We were joined by Debbie and the incoming superintendent of COSSA. There was great discussion about current offerings, future offerings, industry needs, and student enrollment. It was a good start on this issue. We also briefly discussed possible ways to increase enrollment at the Academy.
