Assessment Exemptions

The district believes the annual assessment of student and district progress is a vital component of the instructional process. While it is the district's intention to include every student in the Oregon Statewide Assessment Program, it is recognized that a few students may be exempted from this assessment as provided by OAR 581-022-1910 and 581-022-0612.

The superintendent will develop administrative regulations to implement this policy.
