

MEMORANDUM

DATE: September 18, 2007
TO: Dr. Randy McCoy
FROM: Kenneth Roberts 
RE: Minimum Bid for Eagle Bus

I contacted ABC Buses and discussed with them the value of the old Golden Wave bus. The estimated value of the Eagle bus would be \$6000.00; however, they would not put this down in writing because they no longer carried Eagle.

Mr. Jimmy Robbins at Truck Center agreed with their assessment and recommends the minimum bid of \$6000.00 should be accepted. His letter is attached.

Please feel free to contact me if you have any questions at 841-8908.
