Bilingual Seals

Minnesota Bilingual Seals Program

- Minnesota schools may award the Minnesota Bilingual or Multilingual seals to students who demonstrate proficiency in a language other than English, including American Sign Language (ASL) and indigenous American Indian languages.
- Across Minnesota, 83 school districts offer Bilingual Seals (this includes charters and private schools).
- District 622 offers this program to recognize the value of speaking more than one language.

Minnesota Bilingual Seals Program

- Students who demonstrate proficiency in a language other than English and complete the required English Language Arts credits earn a Bilingual Seal once they graduate.
 - Students demonstrate proficiency by taking a language assessment in 10th, 11th, or 12th grade. The language assessment includes four modalities: listening, reading, speaking, and writing.
- There are three levels of Bilingual Seals awards based on different levels of proficiency¹:
 - World Language Proficiency Certificate = Intermediate Low
 - Bilingual Gold Seal = Intermediate High
 - Bilingual Platinum Seal = Advanced Low

¹ Proficiency levels are defined by the American Council on the Teaching of Foreign Languages (ACTFL).

Minnesota Bilingual Seals Program

- In ISD 622, students who demonstrate proficiency in a language other than English earn high school elective credit.
- Students who earn a Bilingual Seal may be eligible to receive college credit. At Minnesota State Colleges and Universities (MnSCU), students may be eligible for the following credits:

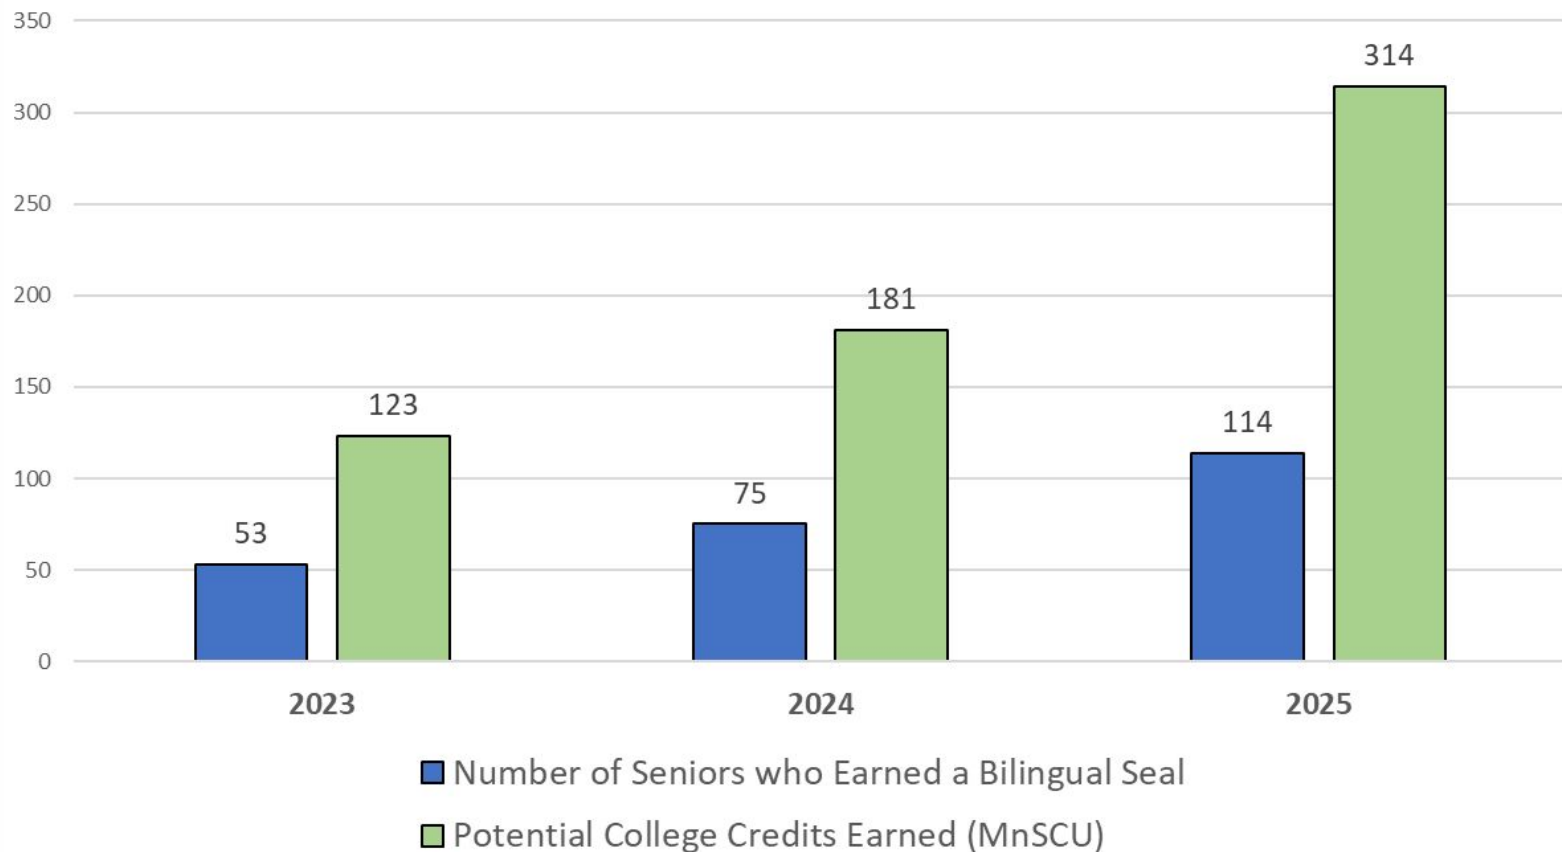

Award	Criteria in all four modalities — listening, reading, speaking and writing	Number of college credits earned
Bilingual Platinum Seal	ACTFL Advanced Low	4 semesters
Bilingual Gold Seal	ACTFL Intermediate High	3 semesters
World Language Proficiency Certificate	ACTFL Intermediate Low	2 semesters
