World's Best Workforce Goals 2023-2024

2023-2024 WBWF GOALS

- ◉ Our 2023-2026 World's Best Workforce goals are set in our Friends of Education contract application.
- ◉ We publish yearly goals on our website in order to align with our Friends of Education contract. AEC will need to approve these goals tonight.
- ◉ The WBWF goals for the coming year and the WBWF summary for the previous year are in our Annual Report.

Elements for WBWF Summary Report & Goals

While the WBWF strategic plan is a multi-year strategic roadmap, legislation requires that districts and charter schools submit an annual summary report to MDE. The annual summary report should provide details about strategies and local progress toward the five WBWF goals:

- All children are ready for school. ✓
- All third-graders can read at grade level. ✓
- All racial and economic achievement gaps between students are closed. ✓
- All students are ready for career and college. ✓
- All students graduate from high school. ✓
