

## Sunray Elementary Board Report

Stacie Jones

10/12/2015

The first six weeks has flown by! We had several exciting things going on at the elementary campus. We had our Lunar Experience Day with Ms. Crenshaw on 9/24/15. The students were able to learn about space and see the lunar rock and soil samples as well as pieces of meteorites brought in from NASA. Students were able to participate in activities and ask questions in the gym.

We had parent conferences on 10/1/15 and we had a great turn out with several parents coming in to visit with teachers. We kicked off our fund raiser with Great American on 10/7/15. Our 1<sup>st</sup> 6 Weeks ABBIT Awards Assembly was on 10/8/15. The Dumas Fire Department came to do their Fire Prevention Program on 10/9/15.
