Topic	Business Professionals of America- National Competition
Presenter:	Multiple presenters and competitions for students
Date:	May 6 th – May 10 th
Goal:	Students competed against 80–120 of the top competitors at the state level in Texas and demonstrated exceptional skill and dedication toward becoming business professionals. As a result of their performance, three students qualified for the Business Professionals of America (BPA) National Leadership Conference, and three additional students were selected as alternates. It is an honor for all six students to have the opportunity to represent our school at the national level, where they will continue to develop their professional, leadership, and career-ready skills.
Executive Summary:	<p>We are pleased to share the outstanding results from the Business Professionals of America (BPA) State Leadership Conference. Our students competed against 80–120 of the top competitors across Texas and demonstrated exceptional skill, professionalism, and dedication.</p> <p>As a result of their performance, six students have been invited to attend the BPA National Leadership Conference. State qualifiers include Mason Abbey (Intermediate Word Processing), Athar Garg (Banking & Finance), and Carlos Gamez (Server Administration Using Microsoft). Additionally, alternates Houston Martin (Entrepreneurship) and Nevaeh Tobe and Ashley Huete (Global Marketing) have also earned the opportunity to attend.</p> <p>Participation at the national level is a significant honor and extends beyond competition. Students will engage in leadership workshops, network with established</p>

entrepreneurs and industry professionals, pursue additional certifications, and have the opportunity to participate in internship programs. These experiences will further enhance their professional, leadership, and career-ready skills.

This achievement reflects the hard work and commitment of our students and is a testament to the leadership and dedication of their advisor, Jessica Cuellar, who has provided exceptional training and preparation for both competition and real-world readiness.
