

Date of Board Meeting: May 16, 2023

Subject: Information Item

Recommendation: Seek sealed bids from vendors in order to purchase several pieces of equipment for our Allied Health Programs with funds from the M.G. and Lillie Johnson Foundation.

Background and Rationale: The M.G. and Lillie Johnson Foundation has provided WCJC with a grant of \$511,000 to purchase instructional equipment for our Allied Health Programs. Due to their cost, there are several items from various allied health programs that will require a public solicitation for bids, or purchase through a State approved co-operative contract. Once bids are received and reviewed, the recommendations will be brought back to the Board of Trustees for approval.

Instructional equipment to bid includes:

Dental Hygiene

Digital panoramic x-ray unit

Portable x-ray unit

Digital x-ray sensors

Simulation Lab/ADN/LVN

Nursing Ann Manikins (2)

Upgrade package for manikins

Pediatric Manikin

Radiological Technology

Update for digital x-ray unit

Cost and Budgetary Support: \$511,000.00

The M.G. and Lillie Johnson Foundation Grant Funds
