

VOLUNTEER OF THE MONTH

Tim Schaffer is Neah-Kah-Nie High School Volunteer of the Month for
January, 2025

It is my pleasure to recognize Tim Schaffer as the NKN High School Volunteer of the Month. For the last three years, Tim can be found at almost every home game in the fall and winter working in the concession stand. He is always busy doing the background tasks: washing dishes, taking out the trash, loading and unloading supplies, running errands, and anything else that is asked of him. He does all of this without a complaint or hesitation.

On top of these seemingly day to day tasks, Tim is always willing to jump in and problem solve any issues, as well as jump in and use his skills to fix things. Hot Dog rollers not working, Tim can fix that! Need new shelving in a dugout, Tim can do that! Popcorn machine door broken? No problem, Tim has a solution! And the whole time, Tim does this without much fanfare, or desire to be the person out in front receiving the praise. Actually, he would most likely respond with a question about what else needs to be done. It is because of this that NKN High School would like to let him know how appreciative we are to have him be a part of our school community. We are honored to have this opportunity to let Tim know we value his contributions to our school! So, from everyone at NKN High School THANK YOU!
