EHDB (LOCAL) ALTERNATIVE METHODS FOR EARNING CREDIT

FEA (LEGAL) ATTENDANCE
COMPULSORY ATTENDANCE

This legally referenced policy on compulsory attendance has been revised to better match statutory wording and to update citations.

FED (LEGAL) ATTENDANCE
ATTENDANCE ENFORCEMENT

The Education Code requires TEA to adopt rules to create MINIMUM STANDARDS for truancy prevention measures, establish a set of BEST PRACTICES, and provide for SANCTIONS against a school district found to be out of compliance with the statute. These new rules, effective January 1, 2017, have been added to this legally referenced policy, beginning on page 5.

TASB Policy Service believes that districts' current attendance policies, as recommended in the policy manual, and procedures, as recommended in the *TASB Model Student Handbook*, adequately address the best practice suggestion for an "attendance policy" that outlines truancy requirements and provisions (see item 1 on page 6). Therefore, no local policy changes are being recommended at this time.

FFEA (LEGAL) STUDENT ASSISTANCE PROGRAMS/COUNSELING
COMPREHENSIVE GUIDANCE PROGRAM

This legally referenced policy on guidance programs has been revised to better match statutory wording and to update citations.

G (LEGAL) COMMUNITY AND GOVERNMENTAL RELATIONS

The G Section table of contents has been revised to change the subtitle of GKB to Advertising and Fundraising.

GKB (LOCAL) COMMUNITY RELATIONS
ADVERTISING AND FUNDRAISING

Based on numerous district requests, Policy Service recommends a revision to this local policy on advertising and fundraising to add an affirmative statement that the district shall not accept paid political advertising. This common district practice allows the district to avoid the appearance of taking sides in election matters.

Contact the district's policy consultant for a revision to your policy if the district accepts paid political advertising.

Education Code 39.301

A–F PERFORMANCE
RATINGS

The commissioner shall adopt rules to evaluate district and campus performance and assign each district and campus an overall performance rating of A, B, C, D, or F.

In addition to the overall performance rating, the commissioner shall assign each district and campus a separate domain performance rating of A, B, C, D, or F for each domain under Education Code 39.053(c)(1)-(4) [see FIVE DOMAINS, above].

An overall or domain performance rating of:

1. A reflects exemplary performance.

4. D or F reflects unacceptable performance.

A district may not receive an overall or domain performance rating of A if the district includes any campus with a corresponding overall or domain performance rating of D or F. A reference in law to an acceptable rating or acceptable performance includes an overall or domain performance rating of A, B, or C or exemplary, recognized, or acceptable performance.

Not later than August 15 of each year, the performance ratings of each district and campus shall be made publicly available as provided by rules adopted by the commissioner. If a district or campus received an overall or domain performance rating of D or F for

1. Compliance with federal law and regulations;
2. Financial accountability, including compliance with grant requirements; and
3. Data integrity for purposes of:
 - a. The Public Education Information Management System (PEIMS); and
 - b. Accountability under Education Code Chapter 39.

A monitoring review may include desk reviews and on-site visits, including random on-site visits. In conducting a monitoring review, TEA may obtain information from administrators, other district employees, parents of students enrolled in the district, and other persons as necessary.

The commissioner may at any time convert a monitoring review to a special accreditation investigation under Education Code 39.057, provided the commissioner promptly notifies the district of the conversion. The agency shall give written notice to the superintendent and the board of any impending monitoring review.

TEA shall report in writing to the superintendent and president of the board and shall make recommendations concerning any necessary improvements or sources of aid such as regional education service centers. 16. As the commissioner otherwise determines necessary.

Education Code 39.057(a)–(c)

TEA shall adopt written procedures for conducting special accreditation investigations, including procedures that allow TEA to obtain information from district employees in a manner that prevents a district or campus from screening the information. *Education Code 39.058(a)*

Accountability Intervention System (TAIS) continuous improvement process. *19 TAC 97.1061(a)*

If a campus's performance satisfies performance standards under Education Code 39.054(e) [see AIA] for the current school year, but would not satisfy the standards for the following school year, the commissioner may request that the campus-level committee revise and submit the portions of the campus improvement plan that are relevant to those areas for which the campus would not satisfy performance standards. *Education Code 39.105(a)*

If a campus's performance is below any standard under Education Code 39.054(e) [see AIA], the commissioner shall take actions, to the extent the commissioner determines necessary, under Education Code Chapter 39, Subchapter E. NOTICE AND
OPPORTUNITY
TO REVIEW

Within 60 days of receiving a campus's preliminary accountability rating, the district, in consultation with the CIT, shall provide notice to parents, community members, and stakeholders that the campus received an academically unacceptable performance rating for two consecutive years and request assistance in developing a campus turnaround plan. The district shall request assistance from parents, the community, and stakeholders in developing the campus turnaround plan.

The district shall notify stakeholders of their ability to review the completed plan on the district website at least 30 days before the final plan is submitted to the board. All input provided by family, community members, and stakeholders must be considered in the development of the final campus turnaround plan submitted to TEA. *Education Code 39.107(a-2); 19 TAC 97.1064(d)*

The district, in consultation with the CIT, shall prepare the campus turnaround plan and provide the following groups an opportunity to review and comment on the completed plan before it is submitted for approval to the board:

1. The campus-level committee established under Education Code 11.251. If the campus is not required to have a campus-level committee, the district shall provide an opportunity for professional staff at the campus to review and comment on the campus turnaround plan;
2. Teachers at the campus;
3. Parents; and
4. Community members.

A district may request that a regional education service center provide assistance in the development and implementation of a campus turnaround plan or partner with an institution of higher education to develop and implement a campus turnaround plan. *Education Code 39.107(b), (b-2); 19 TAC 97.1064(c), (e)*

Upon approval of the board, the district must submit the campus turnaround plan electronically to TEA by March 1 unless otherwise specified. *19 TAC 97.1064(g)*

CONTENTS OF
PLAN

A campus turnaround plan must include:

1. A detailed description of the academic programs to be offered at the campus, including instructional methods, length of school day and school year, academic credit and promotion criteria, and programs to serve special student populations;
2. The term of the charter, if a district charter is to be granted for the campus under Education Code 12.0522 [see EL];

3. Written comments from the campus-level committee [see BQB], if applicable, parents, and teachers at the campus; and
4. A detailed description of the budget, staffing, and financial resources required to implement the plan, including any supplemental resources to be provided by the district or other identified sources.

The plan must include details on the method for restructuring, reforming, or reconstituting the campus. If the district determines that granting a district charter under Education Code 12.0522 is appropriate for the campus, the campus turnaround plan must provide information on the implementation of the district charter. The plan must assist the campus in implementing procedures to satisfy all performance standards required under Education Code 39.054(e).

Education Code 39.107(b), (b-1); 19 TAC 97.1064(f)

A campus turnaround plan must take effect not later than the school year following the third consecutive school year that the campus has received an academically unacceptable performance rating. *Education Code 39.107(b-4)*

IMPLEMENTATION

Following approval of a campus turnaround plan by the commissioner, the district, in consultation with the CIT, may take any actions needed to prepare for the implementation of the plan.

If a campus is assigned an unacceptable rating under Education Code 39.054(e), for a third or fourth consecutive year, the campus must implement the commissioner-approved campus turnaround plan as described in 19 Administrative Code 97.1064 (relating to Campus Turnaround Plan).

If a campus for which a campus turnaround plan has been ordered receives an academically acceptable performance rating for the school year following the order, the board may implement the campus turnaround plan, implement a modified version of the campus turnaround plan, or withdraw the campus turnaround plan.

A district required to implement a campus turnaround plan may modify the plan if the campus receives an academically acceptable performance rating for two consecutive school years following the implementation of the plan.

COMMISSIONER
APPROVAL

The commissioner may approve a campus turnaround plan only if the commissioner determines that the campus will satisfy all student performance standards required under Education Code 39.054(e) not later than the second year the campus receives a performance rating following the implementation of the campus turnaround plan. If the commissioner does not make this determination, the commissioner shall order:

1. Appointment of a board of managers to govern the district as provided at Education Code 39.112(b);
2. Alternative management of the campus; or
3. Closure of the campus.

Education Code 39.107(d)

UNACCEPTABLE
FOR THREE
ADDITIONAL YEARS

If the campus is considered to have an unacceptable performance rating for three consecutive school years after the campus is ordered to submit a campus turnaround plan, the commissioner shall order appointment of a board of managers for the district or closure of the campus. *Education Code 39.107(e); 19 TAC 97.1061(g)*

CLOSURE

If the commissioner orders the closure of a campus, that campus may be repurposed to serve students at that campus location only if the commissioner finds that the repurposed campus offers a distinctly different academic program and serves a majority of grade levels at the repurposed campus not served at the original campus, and approves a new campus identification number for the campus. The majority of students assigned to a campus that has been closed and repurposed may not have attended that campus in the previous school year. Any student assigned to a campus that has been closed must be allowed to transfer to any other campus in the district that serves that student's grade level and on request must be provided transportation to the other campus. The commissioner may grant an exemption allowing students assigned to a closed campus to attend the repurposed campus if there is no other campus in the district at which the students may enroll. *Education Code 39.107(e-1); 19 TAC 97.1066*

BOARD OF
MANAGERS

A board of managers appointed by the commissioner is required to take appropriate actions to resolve the conditions that caused a campus to be subject to a turnaround order, including amending the district's budget, reassigning staff, or relocating academic programs.

The commissioner may remove a board of managers only if the campus receives an academically acceptable performance rating for two consecutive school years. If the campus receives an academically unacceptable performance rating for two additional consecutive years following the appointment of the board of managers, the commissioner may remove the board of managers and, in consultation with the local community, may appoint a new board of managers to govern the district.

Education Code 39.107(e-4), (f)

The board of managers must, if possible, include community leaders, business representatives who have expertise in leadership, and individuals who have knowledge or expertise in the field of education. The commissioner must provide each individual appointed to a board of managers with training in effective leadership strategies.

A board of managers shall, during the period of the appointment, order the election of members of the board of trustees of the district in accordance with applicable provisions of law and 19 Administrative Code 97.1073. Except as provided by this subsection, the members of the board of trustees do not assume any powers or duties after the election until the appointment of the board of managers expires. An individual elected to the board of trustees at an election ordered under this subsection assumes and may exercise all powers and duties of that office at the first official board meeting where the replacement of the member of the board of managers with the elected board of trustee member occurs and after satisfying all legal and procedural prerequisites to take office.

Any member of the board of trustees elected during the appointment of the board of managers who has not yet assumed the powers and duties of a member of the board of trustees will not be considered for purposes of constitution of a quorum.

Not later than the second anniversary of the date the board of managers of a district was appointed, the commissioner shall notify the board of managers and the board of trustees of the date on which the appointment of the board of managers will expire. Following each of the last three years of the period of the appointment, one-third of the members of the board of managers shall be replaced by the number of members of the school district board of

trustees who were elected at an election ordered under this subsection that constitutes, as closely as possible, one-third of the membership of the board of trustees. On the expiration of the appointment of the board of managers, the board of trustees assumes all of the powers and duties assigned to a board of trustees by law, rule, or regulation.

Following the expiration of the period of appointment of a board of managers for a district, the commissioner shall provide training in effective leadership strategies to the board of trustees.

Education Code 39.112(d-1)–(d-2), (e), (g); 19 TAC 97.1073

If, before the second anniversary of the date the board of managers of a district was appointed, the commissioner determines, after receiving local feedback, that insufficient progress has been made toward improving the academic or financial performance of the district, the commissioner may extend the authority of the board of managers for a period of up to two additional years. *Education Code 39.112(f)*

PARENT
REQUEST

The commissioner shall order the specific action (appointment of board of managers or closure) requested by the parents of a majority of students enrolled at the campus, if the commissioner is presented, in the time and manner specified by commissioner rule, a written petition signed by the parents. The signature of only one parent per student is required.

If the board of the district in which the campus is located presents a written request that the commissioner order a specific action (appointment of board of managers or closure) other than the action requested in the parents' petition and a written explanation of the basis for the board's request, the commissioner may order the action requested by the board. The board's request must be presented to the commissioner in the time and manner specified by commissioner rule.

FACTORS

In awarding a contract, a district shall consider:

1. Purchase price.
2. The reputation of the vendor and of the vendor's goods and services.
3. The quality of the vendor's goods or services.
4. The extent to which the goods or services meet the district's needs.
5. The vendor's past relationship with the district.
6. The impact on the ability of the district to comply with laws relating to historically underutilized businesses.
7. The total long-term cost to the district to acquire the goods or services.
8. For a contract that is not for goods and services related to telecommunications and information services, building construction and maintenance, or instructional materials, whether the vendor or the vendor's ultimate parent company or majority owner has its principal place of business in this state or employs at least 500 persons in this state.
9. Any other relevant factor specifically listed in the request for bids or proposals.

Education Code 44.031(b)

In awarding a contract by competitive sealed bid under Education Code 44.031, a district that has its central administrative office located in a municipality with a population of less than 250,000 may consider a bidder's principal place of business in the manner provided by Local Government Code 271.9051. This section does not apply to the purchase of telecommunications services or information services, as those terms are defined by 47 U.S.C. Section 153. *Education Code 44.031(b-1)*

The factors listed above are the only criteria that may be considered by a district in its decision to award a contract. R.G.V. Vend-

OUT-OF-STATE
BIDDERS

A board shall not award a contract for services or for purchase of supplies, materials, or equipment to a bidder whose principal place of business is not in this state, unless the nonresident underbids the lowest bid submitted by a responsible resident bidder by an amount that is not less than the greater of the amount by which a resident bidder would be required to underbid a nonresident bidder to obtain a comparable contract in the state in which the nonresident's principal place of business is located, or a state in which a majority of the manufacturing relating to the contract will be performed. *Gov't Code 2252.001-.002*

This requirement shall not apply to a contract involving federal funds. A district shall rely on information published by the comptroller in evaluating the bids of a nonresident bidder. *Gov't Code 2252.003-.004*

The certification of filing and the completed disclosure of interested parties form generated by TEC's electronic filing application must be printed, signed by an authorized agent of the contracting business entity, and submitted to the district that is the party to the contract for which the form is being filed. *1 TAC 46.5(b)*

DEADLINE

A district that receives a completed disclosure of interested parties form and certification of filing shall notify TEC, in an electronic format prescribed by TEC, of the receipt of those documents not later

than the 30th day after the date the board receives the disclosure.

The disclosure requirements apply to a change made to an existing contract, including an amendment, change order, or extension of a contract if:

COMPETITIVE
BIDDING

Except to the extent prohibited by other law and to the extent consistent with Education Code Chapter 44, Subchapter B, a school district may use competitive bidding to select a vendor as authorized by Education Code 44.031(a)(1).

A district shall award a competitively bid contract at the bid amount to the bidder offering the best value for the district. In determining the best value for the district, the district is not restricted to considering price alone but may consider any other factors stated in the selection criteria. The selection criteria may include the factors listed in Education Code 44.031(b) [see FACTORS, above].

Except as provided below, Local Government Code Chapter 271, Subchapter B does not apply to a competitive bidding process under this policy.

Education Code 44.0351

1. The board has adopted a written definition and criteria for accurately determining the safety record of the bidder.
2. The board has given notice in the bid specifications that the safety record of a bidder may be considered in determining the bidder's responsibility.
3. The determinations are not arbitrary and capricious.

Not later than the 45th day after the date on which the proposals are opened, the district shall evaluate and rank each proposal submitted in relation to the published selection criteria.

The district shall select the offeror that offers the best value for the district based on the published selection criteria and on its ranking evaluation. The district shall first attempt to negotiate a contract with the selected offeror. An interlocal contractual payment must be in an amount that fairly compensates the performing party for the services or functions performed under the contract. The contract may be renewed and may have a specified term of years.

PERMIT

The validity date of an activated and authorized emergency permit is specified in 19 Administrative Code 230.97, Effective Dates of Certificates and Permit Issuance.

An emergency permit is valid for the remainder of the school year for which it is activated and authorized by SBEC. The emergency permit must be submitted to TEA within 45 instructional days from the date of assignment. A permit authorized by SBEC is valid for service only in the requesting district and only for the assignments indicated on the emergency permit application.

Effective with the 2017–18 school year, the employment of an individual on an emergency permit, with the exception of the assignment as a JROTC instructor or a teacher of students with visual impairments may not exceed one school year in the same assignment. [See ONE-YEAR LIMITATION below]

 - c. The extent of the communications;
 - d. Whether the communications were made openly or secretly;
 - e. The extent that the educator attempts to conceal the communications;
 - f. If the educator claims to be counseling a student, SBEC may consider whether the educator's job duties included counseling, whether the educator reported the subject of the counseling to the student's guardians or to the appropriate school personnel, or, in the case of alleged abuse or neglect, whether the educator reported the abuse or neglect to the appropriate authorities; and

2. A district's arrangements to protect student privacy in the event a survey containing one or more of the items listed under PROTECTED INFORMATION, below, is administered or distributed to a student.
3. The parent's right to inspect any instructional material used in the educational curriculum for the student and any applicable procedures for granting a request by a parent for reasonable access to instructional material within a reasonable period of time after the request is received.

'PERSONAL
INFORMATION'
DEFINED

The term "personal information" means individually identifiable information, including a student's:

1. First and last name;
2. Home or physical address, including street name and city or town;
3. Telephone number; or
4. Social security identification number.

20 U.S.C. 1232h(c)(6)(E)

Note: For information related to the selection process and accounting of instructional materials, as this term is defined by state law and rule, see CMD and EFA.

OBJECTIVES

The District shall provide a wide range of instructional resources for students and faculty that present varying levels of difficulty, diversity of appeal, and a variety of points of view. Although professional staff members may select instructional resources for their use in accordance with District policy and administrative regulations, the ultimate authority for determining and approving the curriculum and instructional program of the District lies with the Board.

In this policy, “instructional resources” may include textbooks, library acquisitions, supplementary resources for classroom use, and any other instructional resources, including electronic resources, used for formal or informal teaching and learning purposes. The primary objectives of instructional resources are to implement, enrich, and support the District’s educational program.

The Board shall rely on District professional staff to select and acquire instructional resources that:

1. Enrich and support the curriculum, taking into consideration students’ varied interests, abilities, learning styles, and maturity levels.
2. Stimulate growth in factual knowledge, enjoyment of reading, literary appreciation, aesthetic values, and societal standards.
3. Present various sides of controversial issues so that students have an opportunity to develop, under guidance, skills in critical analysis and in making informed judgments in their daily lives.
4. Represent many ethnic, religious, and cultural groups and their contributions to the national heritage and world community.
5. Provide a wide range of background information that will enable students to make intelligent judgments in their daily lives.

SELECTION CRITERIA

In the selection of instructional resources, professional staff shall ensure that the resources:

1. Support and are consistent with the general educational goals of the state and District and the aims and objectives of individual schools and specific courses consistent with the District and campus improvement plans.

INSTRUCTIONAL RESOURCES

EF
(LOCAL)

2. Meet high standards for artistic quality and/or literary style, authenticity, educational significance, factual content, physical format, presentation, readability, and technical quality.
3. Are appropriate for the subject area and for the age, ability level, learning styles, and social and emotional development of the students for whom they are selected.
4. Are designed to help students gain an awareness of our pluralistic society.
5. Are designed to provide information that will motivate students and staff to examine their own attitudes and behavior; to understand their duties, responsibilities, rights, and privileges as citizens participating in our society; and to make informed choices in their daily lives.
6. For library selections, are integral to the instructional program, are appropriate for the reading levels and understanding of students, reflect the interests and needs of the students and faculty, are included because of their literary or artistic value and merit, and present information with the greatest degree of accuracy and clarity.

Administrators, teachers, library media specialists, other District personnel, parents, and community members, as appropriate, may recommend instructional resources for selection. Gifts of instructional resources shall be evaluated according to these criteria and accepted or rejected in accordance with CDC(LOCAL).

Selection of resources is an ongoing process that includes the removal of resources no longer appropriate and the periodic replacement or repair of resources that still have educational value.

CONTROVERSIAL
ISSUES

District professional staff shall endeavor to maintain a balanced collection representing various views when selecting instructional resources on controversial issues. Resources shall be chosen to clarify historical and contemporary forces by presenting and analyzing intergroup tension and conflict objectively, placing emphasis on recognizing and understanding social and economic problems. [See also EMB regarding instruction about controversial issues and EHAA regarding human sexuality instruction.]

CHALLENGED
RESOURCES

A parent of a District student, any employee, or any District resident may formally challenge an instructional resource used in the District's educational program on the basis of appropriateness.

INFORMAL
RECONSIDERATION

The school receiving a complaint about the appropriateness of an instructional resource shall try to resolve the matter informally using the following procedure:

INSTRUCTIONAL RESOURCES

EF
(LOCAL)

1. The principal or designee shall explain the school's selection process, the criteria for selection, and the qualifications of the professional staff who selected the questioned resource.
2. The principal or designee shall explain the intended educational purpose of the resource and any additional information regarding its use.
3. If appropriate, the principal or designee may offer a concerned parent an alternative instructional resource to be used by that parent's child in place of the challenged resource.
4. If the complainant wishes to make a formal challenge, the principal or designee shall provide the complainant a copy of this policy and a form to request a formal reconsideration of the resource.

FORMAL
RECONSIDERATION

A complainant shall make any formal objection to an instructional resource on the form provided by the District and shall submit the completed and signed form to the principal. Upon receipt of the form, the principal shall appoint a reconsideration committee.

The reconsideration committee shall include at least one member of the instructional staff who has experience using the challenged resource with students or is familiar with the challenged resource's content. Other members of the committee may include District-level staff, library staff, secondary-level students, parents, and any other appropriate individuals.

All members of the committee shall review the challenged resource in its entirety. As soon as reasonably possible, the committee shall meet and determine whether the challenged resource conforms to the principles of selection set out in this policy. The committee shall prepare a written report of its findings and provide copies to the principal, the Superintendent or designee, and the complainant.

APPEAL

The complainant may appeal the decision of the reconsideration committee in accordance with appropriate complaint policies, starting with the appropriate administrator. [See DGBA, FNG, and GF]

GUIDING PRINCIPLES

The following principles shall guide the Board and staff in responding to challenges of instructional resources:

1. A complainant may raise an objection to an instructional resource used in a school's educational program, despite the fact that the professional staff selecting the resources were qualified to make the selection, followed the proper procedure, and adhered to the objectives and criteria for instructional resources set out in this policy.

INSTRUCTIONAL RESOURCES

EF
(LOCAL)

2. A parent's ability to exercise control over reading, listening, or viewing matter extends only to his or her own child.
3. Access to a challenged resource shall not be restricted during the reconsideration process, except the District may deny access to a child if requested by the child's parent.

The major criterion for the final decision on challenged resources is the appropriateness of the resource for its intended educational use. No challenged instructional resource shall be removed solely because of the ideas expressed therein.

Note: For provisions regarding inventory and requisition of instructional materials, see CMD.

PARENT

It is an affirmative defense to prosecution that one or more of the absences required to be proven was excused by a school official or should be excused by the court. A decision by the court to excuse an absence for this purpose does not affect the ability of a district to determine whether to excuse the absence for another purpose.

Education Code 25.093

STUDENT LIABILITY

A child engages in truant conduct if the child is required to attend school under the compulsory attendance laws, and fails to attend school on ten or more days or parts of days within a six-month period in the same school year. A truancy court has exclusive original jurisdiction over cases involving allegations of truant conduct.

Family Code 65.004(a), (b)

AFFIRMATIVE
DEFENSE—
STUDENT

It is an affirmative defense to an allegation of truant conduct that one or more of the absences required to be proven have been excused by a school official or by the court or that one or more of the absences were involuntary, but only if there is an insufficient number of unexcused or voluntary absences remaining to constitute truant conduct. The burden is on the child to show by a preponderance of the evidence that the absence has been or should be excused or that the absence was involuntary. A decision by the court to excuse an absence does not affect the ability of the district to determine whether to excuse the absence for another purpose.

TRUANCY
PREVENTION
MEASURES

A district shall adopt truancy prevention measures designed to address student conduct related to truancy in the school setting before the student engages in conduct described by Family Code 65.003, and minimize the need for referrals to truancy court for conduct described by Family Code 65.003(a). *Education Code 25.0915(a)*

A district shall take one or more of the following actions as a truancy prevention measure:

1. Impose:

 - (1) A specific description of the behavior that is required or prohibited for the student;
 - (2) The period for which the plan will be effective, not to exceed 45 school days after the date the contract becomes effective; or

- (3) The penalties for additional absences, including additional disciplinary action or the referral of the student to a truancy court; or
 - b. School-based community service; or
2. Refer the student to counseling, mediation, mentoring, a teen court program, community-based services, or other in-school or out-of-school services aimed at addressing the student's truancy. A referral may include participation by the child's parent or guardian if necessary.

A school district shall offer additional counseling to a student and may not refer the student to truancy court if the school determines that the student's truancy is the result of:

1. Pregnancy;
2. Being in the state foster program;
3. Homelessness; or
4. Being the principal income earner for the student's family.

If a student fails to attend school without excuse on three or more days or parts of days within a four-week period but does not fail to attend school for the time described by Education Code 25.0951(a), the district shall initiate truancy prevention measures on the student.

Education Code 25.0915

MINIMUM
STANDARDS

2. Maintaining ongoing communication with students and parents on the actions to be taken to improve attendance;
3. Establishing reasonable timelines for completion of the truancy prevention measure; and
4. Establishing procedures to notify the admission, review, and dismissal committee or the Section 504 committee of attendance issues relating to a student with a disability and ensure that the committee considers whether the student's attendance issues warrant an evaluation, a reevaluation, and/or modifications to the student's individualized education program or Section 504 plan, as appropriate.

BEST PRACTICES

A district shall consider the following best practices for truancy prevention measures:

1. Develop an attendance policy that clearly outlines requirements related to truancy in accordance with Education Code, Chapter 25, Subchapter C, and communicate this information to parents at the beginning of the year.
2. Create a culture of attendance that includes training staff to talk with students and parents about the attendance policy and the root causes of unexcused absences.
3. Create incentives for perfect attendance and improved attendance.
4. Educate students and their families on the positive impact of school attendance on performance.
5. Provide opportunities for students and parents to address causes of absence and/or truancy with district staff and link families to relevant community programs and support.
6. Develop collaborative partnerships, including planning, referral and cross-training opportunities, between appropriate school staff, attendance officers, program-related liaisons, and external partners, such as court representatives, community and faith-based organizations, state or locally funded community programs for truancy intervention or prevention, and law enforcement to assist students.
7. Determine root causes of unexcused absences and review campus- and district-level data on unexcused absences to identify systemic issues that affect attendance.
8. Use existing school programs such as Communities in Schools, 21st Century Community Learning Centers, restorative discipline, and positive behavior interventions and supports (PBIS) to provide students and their parents with services.
9. At the beginning of each school year, conduct a needs assessment and identify and list, or map, services and programs available within the district and the community that a school, a student, or a student's parent or guardian may access to address the student's barriers to attendance and make the information available to staff, students, and parents. The information must include, but is not limited to:
 - a. Services for pregnant and parenting students;
 - b. Services for students experiencing homelessness;

- c. Services for students in foster care;
 - d. Federal programs including, but not limited to, Title 1, Part A, of the Elementary and Secondary Education Act;
 - e. State programs including, but not limited to, state compensatory education programs;
 - f. Dropout prevention programs and programs for “at risk” youth;
 - g. Programs that occur outside of school time;

 - n. Child welfare services and programs;
 - o. Other state or locally funded programs for truancy prevention and intervention; and
 - p. Other supportive services that are locally available for students and families through faith-based organizations, local governments, and community-based organizations.
10. After identifying and listing, or mapping, services available in the district and community, school districts should target any new resources, programs, or services to gaps in services identified during the needs assessment.
11. School districts should ensure that personnel, including truancy prevention facilitators or juvenile case managers, attendance officers, McKinney-Vento (homeless) liaisons, foster care liaisons, Title IX coordinators, 504 coordinators, pregnancy and parenting coordinators, dropout prevention coordinators, special education staff, and other appropriate student services personnel, meet to contribute to the needs assessment, discuss opportunities to work together, and identify strategies to coordinate both internally and externally to address students’ attendance barriers.

In determining services offered to students identified in Education Code 25.091(a-3), a district shall consider:

1. Offering an optional flexible school day program and evening and online alternatives;
2. Working with businesses that employ students to help students coordinate job and school responsibilities; and
3. Offering before school, after school, and/or Saturday prevention or intervention programs or services that implement best and promising practices.

SANCTIONS

An aggrieved party may file a written complaint with TEA regarding an allegation that a district has failed to comply with Education Code 25.0915 or 19 Administrative Code Chapter 129, Subchapter BB related to truancy prevention measures. TEA may request that a district provide documentation regarding its compliance in response to a complaint. PROMOTIONAL
ACTIVITIES

District facilities shall not be used to advertise, promote, sell tickets, or collect funds for any nonschool-related purpose without prior approval of the Superintendent or designee.

[For information relating to nonschool use of facilities, see GKD.]

ADVERTISING

For purposes of this policy, "advertising" shall mean a communication designed to attract attention or patronage by the public or school community and communicated through means under the control of the District in exchange for consideration to the District. "Advertising" does not include public recognition of donors or sponsors who have made contributions, financial or otherwise, to the District or school support organizations.

Advertising shall be accepted solely for the purpose of generating revenue for the District and not for the purpose of establishing a forum for communication. The District shall retain final editorial authority to accept or reject submitted advertisements in a manner consistent with the First Amendment. The District shall retain the authority to determine the size and location of any advertising. The District shall also reserve the right to reject advertising that is inconsistent with federal or state law, Board policy, District or campus regulations, or curriculum, as well as any content the District determines has a reasonable likelihood of exposing the District to controversy, litigation, or disruption.

The District shall not accept paid political advertising.

Acceptance of advertising shall not constitute District approval or endorsement of any product, service, organization, or issue referenced in the advertising, nor shall acceptance of advertising from a vendor determine whether the District will purchase goods or services from the vendor through the District's formal procurement process.

[For information relating to school-sponsored publications, see FMA.]
