TERO will do this for adults

\$50.00 per person and cost of Kit

\$45.00 per student and cost of Kit

will send all tests to Safe Trac

and they do all follow up with student

or employee and than after that

send district notification of a positive

test

Safe Trac Solutions of Gt. Falls

\$30.00 per test

We would have to have someone trained to do this

we collect ourselves and send it to the lab.

or they can train our staff to do the testing

and we send it right to them for the results
