AGENDA ITEM: Approval of Three-Year Faculty Contract Extensions
Commencing 2018-2019

DISCUSSION: A recommendation for a three-year faculty contract extension confirms that a faculty member has a commitment to teaching and learning and has demonstrated Collin College's standards of excellence. All faculty members considered for an extension were evaluated by their respective Associate Dean or Director, and Academic Dean based on the following documentation.

- Student evaluations of instruction
- Class evaluations by an academic administrator
- Annual performance appraisals of scholarship, teaching excellence, professional development, professional interaction with students and colleagues, College service, and adherence to College policies and core values.

After careful consideration of all factors, the faculty listed have been recommended for a three-year contract extension and further reviewed and recommended by their Vice President & Provost and the Executive Vice President.

DISTRICT PRESIDENT'S RECOMMENDATION: The District President recommends approval of three-year contract extensions for the faculty listed, commencing academic year 2018-2019.

SUGGESTED MOTION: "Mr. Chairman, I make a motion that the Board of Trustees of Collin County Community College District approves a three-year faculty contract extension for all faculty listed, commencing academic year 2018-2019."
