## **Background Information**

The University of Texas at Arlington would like to partner with Duncanville ISD to serve as an educational experience in Athletic Training Program (Development of Kinesiology – College of Nursing and Health Innovation) students. This agreement would allow Duncanville ISD to serve as an affiliation site for experiential learning opportunities, and it will also provide an avenue for the district to recruit students as they engage in these experiences.

It is the recommendation of the Administration to enter into an agreement with The University of Texas at Arlington. This Agreement shall begin on the effective date and end on five (5) years after the effective date. Either party may terminate this Agreement with or without cause by giving thirty (30) days written notice to the other party. Notwithstanding the foregoing, the District may immediately suspend or terminate any placement or this Agreement for safety, legal, or policy concerns. In such cases, continuation or completion of a Student's rotation is at the District's sole discretion.
