Background Information

A Preschool Discussion will be conducted with the Superintendent, School Board, Advisory Committee and members of the Community.

The primary topic of the meeting will be to discuss parameters around the Review and Comment that must be submitted to MDE if a decision is made to proceed with a building/remodel project. We will discuss the scope and size of potential projects. After this discussion, a vote will be taken at the board workshop on June 9th. This is needed to meet timing requirements for MDE.
