

# Memo

**To:** Dianne McDonald  
**From:** Andre Bouey  
**Date:** August 29, 2025  
**Re:** Memo of Understanding between BELA Recovery and Joliet Township High School 204

This memorandum outlines the continued professional clinical services to be provided by BELA Recovery, in collaboration with Joliet Township High School District 204. These services are aimed at supporting students through prevention, early intervention, and treatment for substance use issues.

## Overview of Services

Two professional Certified Alcohol and Drug Counselors will split their time between the two high schools. Each clinician will be available for up to twelve hours per week.

The core services include:

- **Prevention Presentations:** Educational presentations for students to increase awareness of substance use.
- **Identification Assistance:** Clinicians will help identify students who may need support with substance use issues.
- **Peer Support:** Clinicians will create an Alternative Peer Group and a student alumni leadership group to support peer activities.

Please let me know if you have further questions.

Thank you.
