

Special Services Update- Reported by Amy Martino

As of **September 1, 2025, 1,760 of the 7,898 enrolled** Bristol students are identified as requiring Special Education programming. This enrollment reflects **22.30%** of the total BPS student population.

As of **September 1st, 119** students with disabilities required out-of-district placements at private special education school programs. There were **99** students requiring special education programming services at other public out-of-district schools, including magnet schools.

During the month of **August 2025, 30.2%** of newly registered students were identified as students with special education programming needs at the time of registration; **1 student** received their programming and services at an out-of-district special education school program.

During the month of August, **8 students** required an in-district program, and **4 students** required 1:1 adult support. We are currently in the process of creating another program classroom.

During the month of July, there were **5** 211 calls and **0** 911 calls.
