1. Classes/Programs/General info
  - a. Classes
    - i. We have the ball rolling to host classes at Mixed Company for online learning 101.
    - ii. This is in lieu of not being able to host at the school, which is ok and making it so local business gains some revenue.
    - iii. These classes include Zoom 101, Google Hangouts 101, among others to teach older adults and others about the importance of online communication.
    - iv. The hope is to get other classes up off the ground once adults are able to learn the basics around the virtual communication world.
  - b. Radio
    - i. R&J Broadcasting hosting us monthly
2. Flag Football sees great numbers
  - a. As of now there are nearly 80 youth participating in football on Tuesdays and Thursday nights. This has been a great opportunity for the community to take part in something. All activities are outside and if bad weather happens we cancel instead of hosting it indoors
3. Community Education Advisory Council meeting
  - a. We held our quarterly meeting on September 16th. Our next meeting is scheduled for November 18th.
