

Agenda Item C – Curriculum Spotlight

HB 5: High School Graduation Requirements

The Commissioner has adopted a transition plan to replace the MHSP, RHSP, and DAP with the Foundation High School Program beginning with the 2014-2015 school year.

The new plan includes endorsements to lead to a college degree or a career choice.

Each school district must make available to high school students courses that allow a student to complete the curriculum requirements for at least one endorsement.
