I would like permission from the board to apply for a classroom grant of up to \$500 from the 2020 Helen Pouch Memorial Fund.

Provide history/background information on your proposal:

I would like to utilize this grant opportunity to purchase a \$290 track saw system for the North Valley wood shop.

List the advantages of your proposal:

This saw system would provide us a safer and more efficient tool than the table saw when preparing large slabs for joinery.

List possible disadvantages of your proposal:

There are no disadvantages

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

The alternative would be to purchase this equipment with funds in my budget but I would prefer to hold on to those funds for purchase of materials and supplies.
