Purchase of Technology Equipment

Fiscal Year 2019-2020

Erate Funded at 85% Under Category 2

Item to be purchased are to make the necessary upgrades at each campus (McAllen, Weslaco, Harlingen). Currently we are paying for internet speeds of 500x500 mega bit but only able to produce 200 mega bit speeds due to our current equipment being outdated. This will ensure efficiency of internet service district wide.

This purchase also includes the items needed to set up internet at our newest campus located in Pearland. (Switches, Access Points, Cabling, Content Filtering)

Purchase Cost:
