

Action Item F.2.a

Photography

Background: MISD extended bids for Photography. Even though this is not an expense for the district, we want to select the best and most economical venue for our parents and students. Any proceeds are used to help fund the annual for each campus.

Recommendation: This agenda item is to meet competitive bidding laws of the State of Texas as well as securing the best contract for the school district.

Sample Motion:

“I move the approval of a three year contact with Gene’s Photography starting 8/1/2015 and ending 7/31/18.”
