November 12, 2017,

Mrs. Tonia Tatsey:

Please except this letter as my official notification of retirement as of December 29th, 2017. I had planned to work the whole year, but because of the health issues of my husband I feel I need to be home with him.

I am thankful for the opportunity to have worked here for School District #9 for the past 14 years. It has been a great learning experience and I have enjoyed meeting and working with everyone. It is good to see all the positive changes that are happening and that administration recognizes the need to better communicate with parents and families.

I would also like to say that Mrs. Tonia Tatsey is doing an excellent job as Principal here at Vina – KW better communication, always available when needed, gets schedules done and handed out, is prompt about returning calls to parents when they have concerns. She works hard to keep on top of things and that's not easy taking care of 2 separate buildings.

Sincerely,

Stella A. Walter
