8. The Inter-local Agreement indicates there is an exhibit A, however, it is not available on back up. Please provide Exhibit A. In the event there are any campuses without SA Youth Services, please identify. If applicable, how will these campuses be serviced and by whom?

All elementary campuses are currently served by SA Youth. Additional monies were provided by the City of San Antonio for after school programming. These monies will support over enrollment of students and supplement current activities and services provided by SA Youth.
