---

**TO:** Members, Board of Education  
Dr. Carol Kelley, Superintendent of Schools

**FROM:** Jeanne Keane, Senior Director of Buildings and Grounds

**RE:** Donations- Auditorium Sound System Upgrades

**DATE:** April 30, 2019

## **Summary**

The Principal of Whittier School has requested an upgrade of the existing auditorium sound system which is over 15 years old. The installation was affected through a PTO donations. The vendor references has been vetted and Forest Park Facility Director has used this vendor for over 10 years and is very happy with them. Whittier music teacher Ms. Karia and Principal Ellwanger from Beye provided guidance on the bid and it was shared among music educators. The donation is valued at \$12,276.00 and includes all materials and labor by an outside vendor per the attached.

Administration will be seeking a motion that the Board of Education of Oak Park District 97 accepts the donation in the amount of \$12,276.00 at its May 14, 2019 meeting.

## EQUIPMENT SPECIFICATION SHEET

### General Conditions - (This Is Applicable Only In Areas of Our Specific Work)

We will supply materials and labor for the installation of integration equipment. Owner will supply all permits, inspections and fees as may be required, or as per allowance. Contractor is not responsible to any of the existing building or its contents during construction due to weather or other related conditions, though precautions may be taken. At points in the Specifications Sheet you may see "OSCI", this stands for "Owner Supplied Contractor Installed", and are items that the Owner should supply at the Owners expense for the Contractor to install at the owners expense. At points in the Specifications Sheet you may see "AVS", this stands for "Acoustical Vision supplied" which are items that Acoustical Vision should supply at the owners expense for installation. This Specification Sheet takes precedent over any other drawings, plans, or notes, other than a signed Additional Work Authorization (AWA). Thus, the Owner will be responsible for all other work not listed in this specification sheet. Site must be clear of all personal belongings prior to work, as contractor will not be held liable for damage to items not removed from work area. We are not responsible for owner's equipment working/functioning regardless of condition received. Chase pipe diameter should be discussed before installation by either party. All wiring originates in the equipment room and terminates in room locations listed. Incoming service is from outside demarc point to equipment room. Homerun chase pipe originates in the equipment room and goes to location (specified room/attic). Local chase pipe is from TV to in-room location
