

# Geneva Community Unit School District 304

## Office of Learning & Teaching

**TO:** Dr. Mutchler, Board of Education  
**FROM:** Shonette Sims, Andy Barrett  
**RE:** Consolidated District Plan for 2022-2023  
**DATE:** July 18, 2022

---

School districts that receive federal grants are required to annually complete and submit a Consolidated District Plan (CDP) that aligns with the Illinois State Board of Education's (ISBE) goals. The purpose of this plan is to coordinate all grant funded spending into one single consolidated plan for each district. According to statute, a presentation to the Board is required if the submitted CDP includes significant changes from the previous year (as some of you may recall, such a presentation was provided roughly one year ago). This year our CDP has been completed, submitted, and approved by the State Board of Education; there were no significant changes from the previous year.

The ISBE will now begin reviewing and approving our Fiscal Year 2023 federal grant applications. Details from the CDP will be shared at an annual grant presentation at a future BOE meeting.
