

Homecoming

Homecoming was held in October, there were many great activities, including Coronation, Powder puff Football, powder Puff Volleyball. They were all held during the week. On Friday there are a variety of things that take place, including a pepfest, Tailgate, football game and the Homecoming dance. The weather was great for the football game and the crowd was the largest in my memory for a game in Foley.

MHS Induction

On Oct 12th 33 new members were inducted into the Foley Chapter of the MHS. The advisors are Ms. Gross and Ms. Pelowski. They do a great job of leading these students through a series of activities in the fall and early Winter esp. A few of the activities this time of the year include: a Halloween food drive, a blood drive in Nov. and the always popular breakfast with Santa. Later in the year they also have a hygiene product drive, another blood drive and they spend a morning in the spring doing odd cleaning jobs on campus. On many Holidays, they come in early and help the cooks decorate festive cookies. This is a very busy group of students. They and their families should be proud of this honor.

Conferences at FHS

On Oct. 13 and 14th the High School held our first round of conferences. This is a great time for families to check in with first trimester teachers to be sure that students are getting off to a great start of the year.

Commended Student

Each Fall we have students choose to take the PSAT test. This past year Junah Rudolf took the test. Currently a senior at FHS he scored well enough to qualify as a commended Scholar as part of the National Merit Scholar Program. That means that out of the 1.3 million students who took the exam he was in the top 3% of those students nationwide. In MN there were only 438 Commended students.
