

### **District Prepares for Auction of Surplus Commodities**

Section 7.13 of the District policies allows the Superintendent to submit a list of surplus commodities to the Board for authorization to sell such surplus commodities. A list of commodities is being prepared for the December 14, 2020 School Board meeting for the Board to authorize the District to auction these commodities to the general public on a tentative date of December 17, 2020.

Commodities not sold are considered to have no fair market value and will be disposed by the District. This list includes seven vehicles and six buses. The District will begin promoting the auction with the belief the School Board will approve the final list of commodities at the December 14, 2020 School Board meeting.
