A teacher may request a second appraisal by another appraiser at the following times:

1. after receiving a written observation summary with which the teacher disagrees; and/or
2. after receiving a written summative annual appraisal report with which the teacher disagrees.

The second appraisal must be requested within ten working days of receiving a written observation summary or a written summative annual appraisal report. At the discretion of the appraiser, the time period may be extended to 15 working days.

A teacher may be given advance notice of the date or time of a second appraisal, but advance notice is not required.

The second appraiser shall appraise the teacher in all domains. The second appraiser shall make observations and walk-throughs as necessary to evaluate Domains I through V. The second appraiser shall use the Teacher Self-Report Form and cumulative data from the first appraisal to evaluate Domains VI through VIII. Cumulative data may also be used by the second appraiser to evaluate other domains.
