

**Board of School Trustees  
Mansfield Independent School District**

TITLE: Professional Development Plan 2025-2026	DATE: August 26, 2025
---	-----------------------

**PRESENTATION**

**BACKGROUND:**

SB 1267 requires SBEC to develop a clearinghouse of information regarding continuing education and training requirements for educators and other school personnel, including best practices and industry recommendations for the frequency of training.

SB 1267 requires the school board to annually review the clearinghouse and adopt a professional development plan that must:

1. Be guided by SBEC clearinghouse training recommendations.
2. Note any differences in the professional development policy from the clearinghouse recommendations.
3. Include a schedule of all training required for educators or other school personnel.

**RECOMMENDATION:**

Adopt the Professional Development Plan for 2025-2026.
