**TO:** NWABSD Board of Education  
Members

**DATE:** August 26, 2025

**NUMBER:** 26-027

**FR:** Office of the Superintendent

**SUBJECT:** Adoption of Resolution  
26-001; Approval to  
Apply for AHFC Rural  
Professional Housing  
Grants for Buckland,  
Noatak, Kivalina

**ABSTRACT:**

The administration requests a resolution from the School Board supporting application for funding to renovate and modify teacher housing in Buckland, Noatak and Kivalina and committing funding for the District's share of required matching funds.

**ISSUE:**

AHFC has a program to fund teacher, health professional, and public safety housing in rural areas. A Board resolution authorizing the District to apply for funding is an application requirement.

**BACKGROUND AND/OR PERTINENT INFORMATION:**

The Alaska Housing Finance Corporation (AHFC) has a program available to encourage the development of housing for teachers, health professionals and public safety in rural areas. AHFC currently has approximately \$7 million in available funding. Applications are due October 17, 2025 for funding consideration.

The AHFC program provides funding for new construction, renovation of buildings into housing and upgrade of existing housing, by school districts. The grants currently reimburse up to 85 percent of the total cost of the renovation projects with a limit of \$700,000 in AHFC funding per application. There are additional points for creating or renovating multiple units at one time and energy efficiency upgrades.

The District has a need for renovation and addition work in three communities. Buckland has a 3-bedroom unit that needs energy efficiency upgrades and modernization in order to return to use by teachers. Noatak does not have a 3-bedroom unit but needs one to help retain a long-term teacher and to attract and retain future teachers with families. Kivalina does not have enough teacher housing units on the new campus. However, two modular classrooms are on site and can be converted to teacher housing. One building can become two, one-bedroom units, and the other building can become one unit with two bedrooms.

An application for \$330k for this project was submitted to Senator Murkowski's office in Spring 2025 for Congressional Directed Spending (CDS) funds. On 7-29-25, the district was told the funds were included in an appropriations bill and secured. Funds will not be available until sometime next year. Because we do not have additional information at this time, the Board has not been asked to accept this funding. However, in order to apply for AHFC funding, we need a match commitment. Administration requests Board approve \$330k in match to support the fall

AHFC application. When a formal grant agreement is provided for the \$330k CDS money, assumed to happen in spring or summer 2026, Administration will request Board to accept the CDS money, thus replacing the District match. Essentially, the District's match is a bridge match until the CDS funds are accepted by the board.

An estimate of \$1,025,000 has been created by Property Services and CIP Manager for the projects. AHFC's maximum grant is \$700,000. The minimum match is 15% or \$105,000. However, matches can come from grants such as the pending CDS funds through Senator Murkowski's office. By committing \$330k in match, \$1,030,000, assuming an AHFC grant award, will be available for this work.

The applications must include a letter of commitment for the local share of costs as recommended by the Board. The District match would be funded from capital reserves (or general funds) whichever are available for this purpose.

Applications also require Board resolutions supporting the applications for funding. The resolution must also name the person authorized to submit the application. The Administration recommends that Dena Strait, the District's Capital Projects Manager, be authorized to provide application information on behalf of the District.

**ALTERNATIVES**

1. Adopt Resolution 26-001 approving application to AHFC for funding for teacher housing renovations in Buckland, Noatak, and Kivalina; commit to a local share not to exceed \$330,000; and authorize Dena Strait to provide application information on behalf of the Board, as presented.
2. Do not adopt Resolution 26-001 as presented;
3. Take no action.

**ADMINISTRATION'S RECOMMENDATION**

The administration recommends the Board adopt Resolution 26-001 approving application to AHFC for funding for teacher housing renovations in Buckland, Noatak, and Kivalina; commit to a local share not to exceed \$330,000; and authorize Dena Strait to provide application information on behalf of the Board, as presented.

## **A RESOLUTION OF**
