

Action Sheet

MEETING DATE:

June 13, 2012

AGENDA ITEM:

Discuss and consider the extension of the contract with Agile Minds to provide staff development and the implementation of Intensified Algebra and other math courses in the amount not to exceed \$153,325.00 from the period July 1, 2012 through June 30, 2013 to be paid for with the Advanced Academic Grant funding.

In an effort to increase student academic success in mathematics, the District through the Advanced Placement Grant selected Agile Minds curriculum. Agile Minds is affiliated with the University of Texas Dana Center for Mathematics and provides professional development and online student course work. The specific Middle School and High School courses that will be supported are attached.

RECOMMENDATION:

Approve the extension of the contract with Agile Minds to provide staff development and the implementation of Intensified Algebra and other math courses in the amount not to exceed \$153,325.00 from the period July 1, 2012 through June 30, 2013 to be paid for with the Advanced Academic Grant funding.
