

August 12, 2024, BOE Presentation

Summer Work 2024

Driven by:

Staff

The diagram features two rounded rectangular boxes, one orange and one grey, positioned side-by-side. A thin, light grey circular line arches over the top of both boxes and under the bottom of both boxes, connecting them. The orange box is on the left and contains the word 'Staff' in white. The grey box is on the right and contains the word 'District' in white. The entire diagram is set against a light grey background with a large, faint white circular arc on the left side.

District

Purpose:

Professional Development

District-wide Program Change

Curriculum Framework for New Course

Modification of Existing Course

Continuation of Student Learning

Technology

Project Areas:

Elementary

Middle School

High School

ELL

Tech

SSO

Curriculum Meeting curriculum and assessment
Curriculum Update Curriculum Development Precalc Curriculum
Curriculum Arttulation 6th-Grade Curriculum Social Studies American Studies
Contract / Rubric Curriculum Work Study curriculum
SS curriculum Design Curriculum ELA curriculum Studies Curriculum Novel Study
PreCalculus Curriculum Science Curriculum

For the Board

A word cloud of phrases related to education and support. The words are in various shades of blue and green. The largest words are 'students' and 'time'. Other prominent words include 'support', 'curriculum', 'working', and 'year'. The phrases are arranged in a somewhat circular pattern around the center.

quality curriculum
stronger curriculum
workday opportunities
student population
thankful for this support
curriculum
opportunity was wonderful
opportunities for this sort
educators
look forward
technology and needs
greatly appreciated
support
need for more time
Working
year
students time
Thank you for the opportunity
Geneva students
