News from Mr. Regal

Welcome back family and friends of Evergreen Elementary for the 2019-2020 school year!

Hopefully all of you have had an enjoyable, fun and safe summer! It is now time to get back to providing a positive educational experience for each student through powerful partnerships with our students, staff, parents, and community. Our school philosophy is to provide all of "our" students with a rich and rewarding education; academically, behaviorally, and socially (ALL MEANS ALL)!

The staff at Evergreen has been working hard the first few weeks establishing routines and setting high expectations through our school wide PBIS rules, which are: **BE SAFE, BE RESPECTFUL, BE KIND, AND BE RESPONSIBLE.** Please continue to help us at home by reinforcing positive behavior, providing needed support/space for time to do homework at night, providing your child time to read; at least 20 minutes a night and having them work on their math facts (addition, subtraction, multiplication, and division).

I strongly encourage all parents to get involved in Evergreen; this could be helping in the class, joining PTO, being on Site Council, field trips, helping out during fundraisers, etc. I know that not everyone can come to school and volunteer, but I am challenging **ALL** parents to try to select a time and/or event during the school year and volunteer your time!!!!!!

Thanks in advance for your continued support in the foundation of your student's education.

We look forward to meeting and working with each and every Evergreen family. You are always invited to contact us by sending a note, emailing, telephoning, or coming in to our office.

Let's have a great year at Evergreen,
David Regal, Principal

Help Your Child Succeed in School: Build the Habit of Good Attendance Early

School success goes hand in hand with good attendance!

DID YOU KNOW?

- Starting in kindergarten, too many absences can cause children to fall behind in school.
- Missing 10 percent (or about 18 days) can make it harder to learn to read.
- Students can still fall behind if they miss just a day or two days every few weeks.
- Being late to school may lead to poor attendance.
- Absences can affect the whole classroom if the teacher has to slow down learning to help children catch up.

Attending school regularly helps children feel better about school—and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important. Good attendance will help children do well in high school, college, and at work.

WHAT YOU CAN DO

- Set a regular bed time and morning routine.
- Lay out clothes and pack backpacks the night before.
- Find out what day school starts and make sure your child has the required shots.
- Introduce your child to her teachers and classmates before school starts to help her transition.
- Don't let your child stay home unless she is truly sick. Keep in mind complaints of a stomach ache or headache can be a sign of anxiety and not a reason to stay home.
- If your child seems anxious about going to school, talk to teachers, school counselors, or other parents for advice on how to make her feel comfortable and excited about learning.
- Develop back-up plans for getting to school if something comes up. Call on a family member, a neighbor, or another parent.
- Avoid medical appointments and extended trips when school is in session.

When Do Absences Become a Problem?

Note: These numbers assume a 180-day school year.

FALL FUNDRAISER

We will be kicking off our fall fundraiser with Believe on Friday, September 27th, 2019. Look for fundraising details and order forms to come home with your student on this day. With your help, we will be raising money that will support and benefit our students through much needed PBIS programs, enrichment activity offerings, field trips, school improvements, special programs, assemblies and student incentives. Our school would not be able to provide many of these programs and activities without the support of the Illinois Valley Community.
