

The 2013-14 calendar (attached) scheduled 173 student instructional days. Four days have been lost to inclement weather. **I recommend amending the calendar to “make up” two lost instructional days as follows:**

- **February 17**
- **June 6: ½ student day ½ staff day**
- **After June 6: ½ staff day tba with principal**

If two or more additional instructional days are lost, I recommend scheduling “make up” days as follows:

- **March 24, 25, 26, 27, 28**
