

Paragraph for Board Memo:

Phillip J. Smith requested the following records: “information regarding the money given to public schools by the Federal Government. \$60 billion dollars was allocated for public schools and an article posted on January 25, 2021, it states D304 received \$1.18 million as their portion of those funds.

I would like to get data on how those funds were spent in within the district.

- Has there been an upgrade of ventilation systems
- Did they purchase plexiglass dividers
- Did they hire more cleaning staff
- Did they purchase cleaning materials.”

This FOIA request was received Feb. 24, 2021, and responded to on March 2, 2021. It took 2 District employees a total of 1 hour 25 minutes (\$53.74) to respond to this FOIA request. Total attorney time equaled 0 hours (\$0).
