**Topic:** Purchase of White Fleet Vehicles

**Submitted by:** Joel Falcon, Chief of Operations

**Approved for Transmittal:** 

**Board Meeting Date:** 11/14/2024

**Recommendation:**

It is recommended that the Board approve the purchase of five white-fleet vehicles from Grapevine Dodge in the amount of \$329,269.00.

**Rationale:**

The District's white fleet is aging, and many vehicles have reached a point at which repairs and stop-gap measures are no longer feasible as a means of keeping them in service. The purchase of new vehicles would save the District money in the long term and increase reliability, ensuring that maintenance staff can attend to District needs in a timely manner.
