### Battle Drones

Battle Drones features an exciting combination of aerial acrobatics with an engineering design challenge to teach students STEM concepts, teamwork, and how to skillfully fly a drone. Teams of students build robotic launchers designed to fling projectiles at their opponents' drones. Students are guided by experienced camp instructors in how to construct their launchers to maximize projectile speed and accuracy. The camp will culminate in an epic battle where students pilot their drones to safety by dodging opponent projectiles while using their own launchers to take down opponent drones. **Participants have the option to purchase a drone (\$100 value).**

- ◆ Note: We will close at 1:15 pm if no attendees
- ◆ Buffalo Community Middle School Pool
- ◆ Enter door 3, lower west side
- ◆ A lap lane is designated
- ◆ \$5/person or \$10/family

### About Our Pool

- ◆ The pool is located at the Buffalo Community Middle School. Enter door #3 (facing football field)
- ◆ Locker rooms are available to change after lessons
- ◆ Appropriate swim wear required
- ◆ Pool depth ranges from 3 feet 6 inches to 12 feet
- ◆ An adult must accompany children if under 48 inches in height
- ◆ The use of approved life jackets/ vests and other floatations are allowed when **accompanied by an adult in the water**
- ◆ To use the deep end of the pool, swimmers must be able to swim the width of the pool using the American Red Cross Level 3 front crawl. Swimming ability will be at the lifeguard's discretion
- ◆ Children are not allowed to jump off the diving boards into the arms of an adult in the water

## Youth Swim Lessons

### **Parent & Child Aquatics (6 months to 3 years) Fee: \$64**

Parent and child learn together to increase a child's comfort level in the water and build a foundation of basic skills, such as arm and leg movements and breath control. The two levels are fun-filled and introduce water safety.

- ◆ Change body position in the water
- ◆ Learn how to play safely
- ◆ Experience wearing a life jacket
- ◆ Expectation for adult supervision
- ◆ Enter and exit the water safely
- ◆ Submerge in a rhythmic pattern

### **Preschool Aquatics (4-5 years old) Fee: \$64**

Children are taught basic aquatic safety, survival and swimming skills, while increasing their comfort level in and around the water. Skills are age-appropriate, helping children achieve success on a regular basis and enjoy social interactions with other children. As in all Swimming and Water Safety courses, your child will always know that it's safety first.

---

### **Learn to Swim Levels 1-5 (Age 6+) Fee: \$69**

#### **Level 1: Intro to Water Skills**

Orient participants to the aquatic environment and help gain basic aquatic skills. Begin to develop positive attitudes and safe practices.

#### **Level 2: Fundamental Aquatic Skills**

Build basic aquatic skills, water safety and concepts learned in level 1.

#### **Level 3: Stroke Development**

Build on the skills learned in Levels 1 and 2 to help achieve basic water competency in a pool environment. Head first entry, survival floating and treading water will be covered.

#### **Level 4: Stroke Improvement**

Improve proficiency in performing swimming strokes introduced in Level 3. Skills include swimming front crawl 25 yards, breaststroke, back crawl and butterfly 15 yards.

#### **Level 5: Stroke Refinement**

Participants refine their performance of all six swimming strokes (front and back crawl, butterfly, breaststroke, elementary backstroke and sidestroke).

## Preventing Elder Financial Abuse

Elder financial abuse, also known as financial exploitation, is the illegal or unauthorized use of an older adult's funds or resources for the benefit of someone other than the older adult. This includes fraud, theft, and act of deception to gain control over a senior's money or property. You will learn about common types of financial abuse, indicators, and signs, how to report and get help. **This class is for older adults and their families.**

## Medicare 101

Turning 65 in 2024? This informational class is suitable for anyone who is or will become Medicare eligible and will help answer questions including: What if I'm going to continue working after I turn 65? How is my spouse affected by my enrollment? What is Original Medicare? What is the difference between a Medicare Supplement Plan and a Medicare Advantage Plan, and how do they work with Original Medicare? What about my prescriptions? How do I enroll in Medicare, and when should I do it? What if I don't enroll? How might my HSA impact my Medicare decision-making?

## Should I Stay or Should I Go?

### Steps To Review Your Housing Needs For Today & Tomorrow

We will be discussing lifestyle options for senior living. Should I stay and age in place - making home modifications to reduce safety risks OR should I go – moving to a home option that may be handicapped accessible, single level living? We will take an assessment and give you the tools to make educated decisions.

# Adult Basic Education & GED

## We Are ABE

At WEST Adult Basic Education (ABE) sites in the west metro suburbs, caring teachers help adults with a variety of learning goals. WEST ABE is a partnership between 17 area school districts, several correctional facilities, and the Monticello Career Force Center. Teachers at dozens of nearby sites serve adult learners throughout the majority of the year. WEST ABE welcomes adults, 17 or over, who are not currently enrolled in a regular school program.

### Academic Open Lab

ABE helps adult learners acquire or improve their math, reading or writing skills for the GED test, college entrance or employment.
