CISD Board Agenda Item Synopsis

Subject: Consider Approval to Begin Design of Orchestra Additions at Moore MS and MS #2

Background Information: In prior planning meetings with the Board and Northstar, it was determined that the District would explore the addition of orchestra classrooms on the middle school level. While rough drawings had been shared with the Board, the district needs to begin the process of working with architects to prepare final drawings, which will increase the previously-approved GMP for MS #2 and extend funding toward the addition at Moore MS.

Goals:

- ☒ 1. We will provide and support a safe, civil and collaborative culture.
- ☒ 2. We will continuously provide and support effective teaching in every classroom.
- ☒ 3. We will provide and support a guaranteed and viable curriculum.
- ☐ 4. We will continue to foster a love of reading and commit to continual growth in childhood literacy.
- ☐ 5. We will foster strong numeracy skills and commit to continual growth in math success.
- ☒ 6. We will provide targeted strategies and practices to prepare students for post-secondary education, career readiness, and military participation.
- ☒ 7. We will attract, recruit, develop, and retain high-quality professional staff.

Budgetary Impact:

No impact on District M&O funding

Bond dollars: TBD (estimated \$500 per square foot)

Recommendation:

The District recommendation is for the Members of the Board to approve the release of District architects to develop formal designs for orchestra classrooms at Moore MS and MS #2.
