

# Middle School Board Report September 2024

## Open House

Open House at the middle school was a great success, with strong attendance from students and families. The welcoming atmosphere allowed parents to meet teachers, explore classrooms, and get a glimpse of the exciting year ahead. The event strengthened the positive connections between the school and our supportive community.

## 5th Grade Orientation

The 5th Grade Orientation on Monday, August 26th successfully introduced the new middle school students and their families to middle school life while meeting their teachers and touring the middle school.

## Fall Sports Have Kicked Off

The fall sports season is off to a strong start, with high participation and enthusiasm from our student-athletes in cross country, football and volleyball. Early competitions have showcased teamwork, school spirit, and promising performances.

Our coaches are dedicated to both skill development and character building, making the fall seasons a source of pride for Unity Middle School.

## Strong Start to the Year

The 2024-25 school year at Unity Middle School started smoothly, with students and staff returning full of energy and enthusiasm. The initial days focused on building relationships and setting a positive tone for the year. Our amazing staff have created a positive and inclusive environment, ensuring a strong start for all.
