1st Grade Update

1st grade is working on the history of the Earth, adding tens to 2-digit numbers. They are making spelling trees in Skills to show the different ways to spell the sounds in words. They also had the firefighters come in for FRED last week and this week. In second step we are working on acts of kindness.

Pre-K Update

Pre-k celebrated Valentine's Day with their grown ups. They had snacks, activities, and fun!

February 27th will be our community wide screening for birth-5 years old. We are looking forward to meeting new families!

Our parent coordinator, Mrs. Wilson planned a parent coffee chat on February 25th. Parents are welcome to grab some coffee and learn about a very popular topic- Potty Training!

Music Update

Students in both Kindergarten and 1st grade have been exploring our xylophones through the use of books. Kindergarten was able to practice our opposites through a book called "Big Bear, Small, Mouse" and practice high and low using "Goldilocks and the Three Bears". 1st grade was able to practice melodic contour (up, down, and same) through a book called "Up, Up, Down". They have had a lot of fun first acting out these books and then finding ways to show these concepts on our instruments!

Kinder Update

Kindergarten students WORKED 100 days to become smarter, kinder, and stronger!
