

15-910(J)(3)(I)

Verification that the desegregation funding is educationally justifiable.

The Amphitheater District's April 1993 Administrative Agreement with the U.S. Office for Civil Rights mandated the implementation of a new system of imposing, documenting and auditing student discipline, for the purpose of ensuring equity and the absence of discriminatory impact in student discipline-related functions. The District's January, 1994 administrative agreement with the U.S. Office for Civil Rights required programs and activities which would assure access to and equity in programs in District programs and services for minority students. Desegregation funding received by the Amphitheater District is used to implement these agreements.

Certainly, without question, the purpose, intent and requirements of the administrative agreements are educationally justified as is the funding of the same.
