BOARD OF DIRECTORS, EDUCATION SERVICE CENTER, REGION 20

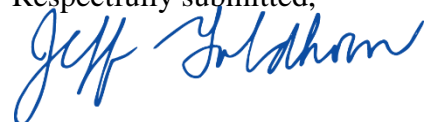

December 19, 2018

SUBJECT:               PROGRAM HIGHLIGHT – SCHOOL SAFETY

EXPLANATION:       The ESC 20 School Safety program offers technical assistance to clients throughout the region via workshops, campus visits, and regular phone calls and email communication. The School Safety program developed a cooperative during the 2018-2019 school year for districts, charters, and private schools to join based on ADA. Membership in the cooperative provides discounted registration for staff to attend school safety related professional development. The School Safety program also offers support by facilitating meetings between School District Law Enforcement, District Safety Directors, area law enforcement, and community agencies that promote safety. The School Safety program has recently organized an Advisory Committee to provide guidance and direction regarding program goals and future program growth.

ACTION:               For Information Only.

Respectfully submitted,

Jeff Goldhorn  
Executive Director
