East Aurora School District 131 Board of Education  
From: Dr. Ami Engel, Assistant Superintendent for Curriculum, Instruction, and Assessment  
Subject: Summer School 2025

---

**Issue:**

East Aurora School District 131 provides summer school learning opportunities to support student growth, reduce the summer learning slide, and address student proficiency.

**Justification:**

In order to offer summer school for our students, we need to provide appropriate resources to support instruction. We have the curricular materials needed for elementary summer school and high school summer school. For middle school we have partnered with Elevate learning and would like to continue this practice. We also have some staff training needs and student supply needs to support the program.

**Board Policy and Past Practice:**

Past practice of the district is to support student learning with summer school programming.

**Strategic Plan:**

This proposal supports Strategic Goal #1 Educational Equity: East Aurora School District 131 will meet the diverse needs of all students by ensuring a safe and inclusive learning environment and Strategic Goal #4, Student Achievement: East Aurora School District 131 will ensure the academic success of all students by closing the opportunity gap.

**Recommendation:**

It is recommended that the Board of Education approve the summer school 2025 curriculum and instructional support, student supplies, and professional development vendors not to exceed \$130,300. This will be paid through a combination of PFA, IDEA, and Title funds.

**Timeline for Decision:**

April 7, 2025
