Breakfast with Santa and the Grinch

On Saturday, December 14th, UHS students from FCCLA and Key Club woke up early and gathered at the fire station to help support the community event: Breakfast with Santa and the Grinch.

Winter Break Videos

Here are a couple of fun Winter Break inspired videos features our UHS students:

Columbia River Clash

Another successful Clash is in the books. The varsity boys basketball team took home the top prize in their bracket and the girls team took third place. A huge shoutout to all of the students and staff who helped pull it off, especially coaches Scott Bow and Marisa Gonzalez, Athletic Director Dan Durfey, and Maintenance Director Vinny Stefani.

Viking Cafe

In addition to some great basketball, the Viking Cafe served up a lot of different delicious food during the Clash. FCCLA students, with support of their advisors Holly Fritz and Lisa Dahlin, prepared food, and served as cooks and cashiers.

Home Varsity Basketball Games

Upcoming theme nights for the student section for the remainder of the 2024-25 Basketball Season... though I don't think they would complain if other Viking fans came dressed to impress.
