From: ShaQueen Lee

Date: April 1, 2013

The summer is quickly approaching and the school year is coming to an end, and with that I would like to request to continue working at Central Office this summer. I would like to thank the members of the board for giving me this opportunity and allowing me to work here. It's been a good learning experience. I am learning a lot. I've learned how to deal with work relationships and I've learned a lot about myself. I hope to learn even more through this experience. Thank you for your consideration.
