

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: March 22, 2021

AGENDA ITEM: Consider Approval of 2021-2022 District-Wide Instructional Calendar

PRESENTER: Lynn McKinney, Deputy Superintendent

BACKGROUND INFORMATION:

One draft calendar was presented to the District Wide Effectiveness Improvement Committee (DWEIC) at their January meeting. The committee members were asked to present the draft to their campus staffs and get feedback.

The DWEIC met in February to review stakeholder feedback. One change to the draft calendar was requested and supported by the DWEIC members after discussion. This change was to make December 16th an early release day. This change would impact our banked days, taking the banked days for 2021-22 to 2.1 days (originally it was 2.6). The proposed draft calendar meets the requirements of the required number of student minutes and staff days.

The feedback from all the campuses was very positive and teachers especially appreciated the scheduling of the professional learning and workdays.

On February 22, 2021, the administration and Board of Trustees discussed the draft calendar during the Board's regular Board meeting.
