Hello,

As part of the Illinois Freedom of Information Act, I request the following information for your district's multifunction copiers, printers, and print management software. My contact info is listed below.

- Current multifunction copiers, production copiers, printer lease/purchase contracts, and terms and conditions.
- Current multifunction copier, production copiers, printer maintenance contracts, and terms and conditions.
- Current Lease/Service invoices relating to items above from the past six months.

This is a Commercial request. Thank you very much for your time and help. 😊
